

36 Hours Tally with GST Certificate Course

In today's information age regime, technology is an integral part of personal and professional life. In today's era of technology based information, for a B.Com. student, a theoretical knowledge of accounting is not sufficient. Worldover, accounting has become computerised. So a student of accountancy must get equipped with computerised accounting. Keeping this in mind, we took initiative to start a Tally Certificate Course in the year 2017-18.

During the year 2018-19 we signed an MoU with "First ERP Software Solutions Pvt Ltd.", a certified training partner of Tally. We have conducted two more batches of the course during the current year.

The course is designed to provide a hands on training along with the theoretical knowledge of Tally. On successful completion of this course, students are given an "add on" Tally course certificate which can increase the employability of a student. A student can also appear for TallyACE certificate examination at the end of the course and can get a Merit Certificate from Tally Education Pvt. Ltd. This certificate enhances employability of a student in the field of accounting to a greater level.

Key features of the course include:

- 36 hours hands on training
- ICT based smart Computer Lab
- Experienced Tally Trainers
- Study material in hard as well as soft copy
- Add on Tally ERP.9 Release 6.4 Certificate for enrichment of CV

The first batch of Tally course started on 8th February 2018 with a nominal fees of ₹ 600 per student. Initially batch is comprised of T.Y.B.Com students.
