English Medium College of Commerce

**Souvenir of
25 Years' Journey towards
fulfilling 'Sarvajanik' Promise for
College of Excellence in Commerce Education...**

The end-product of education
should be
a free creative man,
who can battle against
historical circumstances
and
adversities of nature

Dr. Sarvepalli Radhakrishnan
1888-1975

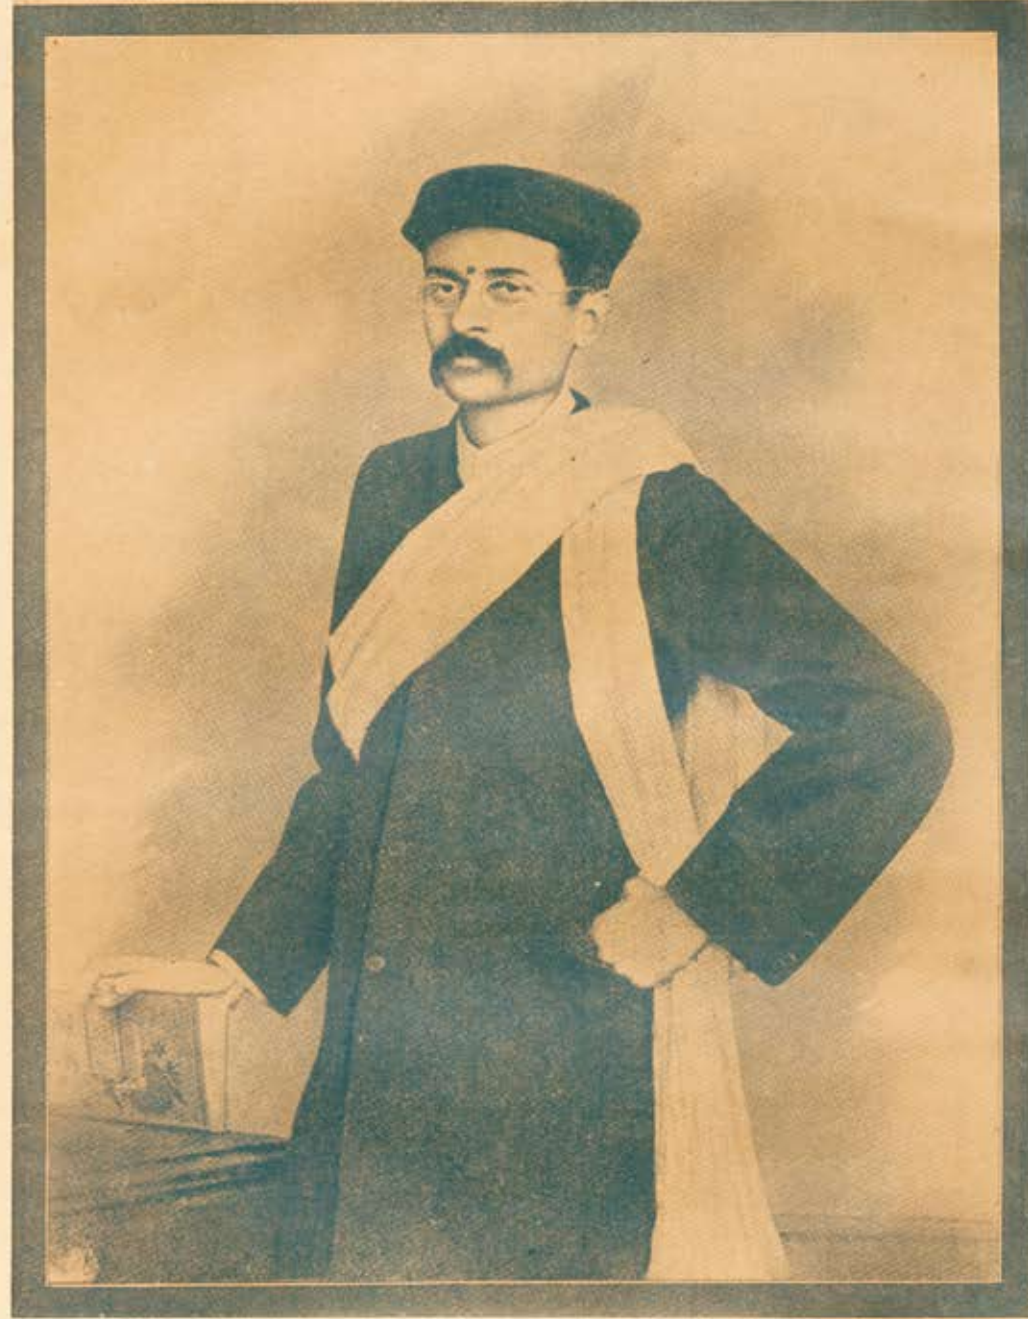

A seed of good and cheap education was sown in the year 1888 by Shri Chunilal Ghelabhai Shah. Single minded, selfless devotion which was the life blood of this man, inspired a band of teachers and spirited social workers to volunteer to dedicate themselves to the noble cause of Education and they nurtured the Sarvajanic Education Society.

We respectfully bow to this man, for his boundless enthusiasm and courage, his untiring zeal and patience which set the beginning of this long journey of education to create a progressive civilization.

Shri Chunilal Ghelabhai Shah
Founder
Sarvajanik Education Society, Surat

Foreword

Dr. Vipin D. Naik

Principal, Since April 2005

M. Sc., M. Phil, Ph.D.

Member of Senate (2005 onwards)

Dean, Faculty of Commerce (2009 - 2015)

Member of Syndicate (2009 - 2012 and 2016 onwards)

Member of Academic Council (2009 onwards)

With profound feelings of pride and joy I forward this souvenir of Silver Jubilee of the consistently progressive journey of the College from a 'Sarvajanik' promise for a Centre of Excellence in commerce education made by the Sarvajanik Education Society in 1991 upto UGC recognition for the College as Centre with Potential for Excellence'in 2016. In April 2005 I joined this college as Principal. The College then had already earned popularity as one of the best colleges of Veer Narmad South Gujarat University for commerce education. The first two Principals of the College Dr. G. J. Kapadia and Dr. D. G. Patel had laid very strong foundation for the growth of the college as an institution of repute and untiring efforts of young staff members, who were ever ready to Study and Perform, had also laid strong foundation for Blossoming into a very bright career for themselves. My job was to encourage and facilitate them for research activities along with the excellent work they were putting in for the all-round growth and 'Blossom' in their career and character as well as the career and character of the students.

A 25 Years' Journey started from a 'Sarvajanik' Promise in 1991 by Sarvajanik Education Society for 'College of Excellence in Commerce Education' to UGC Recognition in 2016 as 'College with Potential for Excellence'

Our college was established in May/June-1991 as a result of bifurcation of Sir K.P. College of Commerce, now our sister college. Sir K.P. College of Commerce is about 70 years old. At present the medium of instruction in this college is Gujarati. However, up to 1991 it had two media of instruction, Gujarati as well as English. The English Medium was introduced in the year 1974-75. But, with the growing demand of education of commerce through English Medium in South Gujarat, and keeping in mind the limitations of infrastructure at Sir K.P. College of Commerce, the visionary management, Sarvajanik Education Society, Surat, known for promoting excellence in education, decided to establish another commerce college with English as Medium of instruction.

In 1991 one of the senior most teachers of Sir K. P. College of Commerce, Dr. G. J. Kapadia, was appointed as the first Principal of the college. The financial position of the S. E. Society was not strong enough to set-up a spacious building for another college and also to pay the salaries of the staff. Therefore, the difficulties lying in the way were too tall to surmount comfortably. However, under the inspiring leadership of the Principal Dr. Kapadia, the

farsightedness of the office bearers of Executive committee of the S. E. Society and co-operation and guidance of University authorities, from the very first year, with a capacity of over 360 students in F.Y.B.Com., the college made its presence felt in the area of education of commerce in South Gujarat.

In 1997 with the grand efforts of the office bearers of the management and ample support from the University, the government decided to provide grants every year as aid to meet the salary and maintenance expenses of the college from the year 1995. Thereafter, no barrier was too tall to surmount and the college started moving with full vigour.

In 2001, the University granted permanent affiliation to the college and with that the college became eligible for registration under sections 2(f) and 12(B) of UGC Act. Principal Dr. D.G. Patel, who succeeded Dr. G.J. Kapadia after his retirement, initiated the procedure for registration of the college with UGC under sections 2(f) and 12(B) and after my joining in 2005, the college was able to get itself registered under sections 2(f) and 12(B) of UGC Act which further paved the way for getting grants from UGC. In the year 2006 the college received a one-time grant of Rupees Ten Lakhs under 'Young

College Scheme' Thereafter, in the year 2008 the college succeeded in getting UGC grants of Rs. 72 Lakhs under the 11th five year plan, the same amount in the year 2012 under the 12th plan and Rs. 1 Crore award with the Status of "College with Potential for Excellence" in the current year which is the Silver Jubilee Year of the College!

In the very first year of my joining, the college decided to publish the college magazine every year with the prime objective of indexation of glitters of SPB and the SPBians. In 2006 the S-P-B maxim, "Study-Perform-Blossom" (ભણો - ગણો - ખીલો) was adopted as the maxim motto for the SPBians. With the Vision, the focus of our mission, being "Competence in Career" and "Correctitude in Character" the Vision and Mission statements of the college were formally incorporated with motto statements "Competence in Career

and Correctitude in Character” and “Study-Perform-Blossom” respectively.

I am sure, the contents of this Souvenir along with the relevant details in it, will convince the well wishers of the college about the talent our college has always been blessed with and the efforts our teaching and administrative staff put in to groom and nourish the talent. I am also confident that the contents of the Souvenir will also convince the well wishers of the college that all the SPBians are well and truly on course of evolution in their Career and Character as envisioned by the college, as well as to keep the ‘Sarvajanic’ promise for the ‘Centre of Excellence in Commerce Education’.

At SPB we firmly believe that “Quality Assurance” and “Efficiency Enhancement” is the need of the hour today. Our strategy to keep moving in this direction with full vigour is to make efforts continuously and honestly to integrate our

- (i) VISION of Blossom i.e. wholesome development / progress of each of the SPBians in their career and character as well as the society / nation.
- (ii) MISSION of attaining/fulfilling the VISION of Blossom through continuous studies and performances and
- (iii) ACTIVITIES/ACTIONS (of

acquiring and applying curricular, co-curricular and extra-curricular knowledge)

We are conscious that the quest for “Excellence” can be an ever elusive one and one can never afford to be complacent in matters of quality and efficiency. Continual effort and constant vigil are of paramount importance. And therefore, when we are chasing “Excellence” through “Quality Assurance” and “Efficiency Enhancement”, sky is the limit for our onward march and therefore, to echo our spirit appropriately we can only say in Robert Frost’s words:

***“Woods are lovely dark and deep,
But I have promises to keep,
And miles to go before I sleep...,
And miles to go before I sleep...”***

- Dr. Vipin D. Naik
Principal

VISION

**Competence in Career
And
Correctitude in Character**

The VISION of Surat People's Bank (SPB) English Medium College of Commerce, embodied in the above motto, is to be a leading participant in the 'Sarvajanic' process of grooming citizens who are respected in their profession for their knowledge, skills and competence and recognised in the society as responsible, progressive, secular humanists committed to moral and social correctitude.

MISSION

Since well directed formal as well as informal “Studies” and “Performances” are the pivotal intrinsic forces leading to “Blossom” (Progress / Prosperity / Maturity); a stage of evolution; in Career and Character of a person, the Mission of the college, for envisioned evolution in the careers and characters of all the SPBians, is to make them lifelong followers of the maxim embodied in the above motto.

Bud that Blossomed with the fragrance of wisdom

Surat People's Bank English Medium College of Commerce was established in 1991 to accommodate the growing population of XII Commerce students into 'English Medium' instruction for their future studies into B.Com degree. It was a historic decision, a milestone taken by the futuristic and visionary executive members of the Sarvajanic Education Society.

Our college, from here I fondly call her, the SPB started its journey in a very humble way. Its emergence started with a "small is beautiful" motto and an impressive principle of "sharing". WE started our instruction with sharing the class rooms and the staff room with the V.T.Choksi Law College. It showed the democratic way of functioning, the undercurrent principle of the Sarvajanic Education Society. The then offices of the Principal, administration and the library—once the activity centres of the institution, have become the quarters for the Sarvajanic Education Society staff.

Humility is one of the greatest virtues, showcased by our founder Principal Dr.G.J.Kapadia, a guiding force to the teaching staff, the librarian and the administrative staff. Dr. Kapadia, not just showcased, but became a torch bearer in lighting the path for rich tradition with his inspirational leadership in those formative years. The minimum facilities available were taken up as an "Opportunity" and we

all moved ahead in that modest and minimal environment. Only the strong desire to "go ahead" and the ample support from the management of the Sarvajanic Education Society were the impetus required. Nothing stopped our march forward to bring out the choicest college for the young commerce students of Surat.

As for the library, we started the library with some 100+ books borrowed from the Sir K.P.College of Commerce, Surat, another institute managed by the Sarvajanic Education Society. Our library was housed in two small rooms with 2 cupboards for keeping the books and 3 tables for students' reference/study. Magazines were few with, Readers' Digest and Economic & Political weekly and Yojana being the very first magazine / journals in the library. Today its holding is 20000+ books, 52 magazines and journals, 250+ CDs, ejournals and ebooks. Our library also accommodates 20 computers with free internet facility for library users.

The administrative staff too as the college teaching staff, was young and dynamic, with a passion to carve a role in the surrounding academic environment. All were fresh graduates with a clarity and openness to learn for betterment. They were trained by the then retired Shri Mohanbhai Naik, from Sir K.P.College of Commerce of Sarvajanic Education

Society. Mr.Naik was instrumental in training the office workforce to keep meticulous record work and day to day smooth functioning of the college office. We are really indebted to him.

Dr. G. J. Kapadia was a force of influence in building the strong team of SPB family. He made the students, teachers, librarian and the administrative staff feel responsible and sensible in building the brand image of "SPB College" in the fast growing Diamond city—Surat and in South Gujarat University.

In 1993, we started shifting to the new premises gradually, first the 3 classrooms of the ground floor to the full fledged college. The tenure of Dr. D. G. Patel, the second Principal, a statistician at par, with steel resolve brought many milestones into the records of SPB. The Sarvajanic Education Society started the BRCM college of Business Administration (1998) in our premises under the stewardship of Dr. D. G. Patel. He mentored the college in such a way that now it is grooming itself independently and standing tall in the field of management studies at graduate level.

Then comes the most cherishing moment for SPB, the commencement of the Post Graduate Course in Commerce, i.e. the M Com course (2001) with Financial & Management Accounting as the Elective subjects. By this time the

teachers were fully trained and recognised as post graduate teachers by the South Gujarat University and the library well furnished and equipped with modern technologies of the electronic era.

Principal Dr. V. D. Naik joined college in 2005 as a sword polished on both the edges. He is a good academician, able administrator with impeccable experience in various administrative functions in South Gujarat University. Thorough with various technicalities of administration he is the person that SPB needed at this juncture. Dr. V. D. Naik groomed the adolescent SPB into a perfect teenager with a motto of equal significance to "Study, Perform and Blossom " He is instrumental in getting UGC grants under different heads since 2007, an example of his fund raising capabilities. Commencement of a self finance division in B. Com. in Taxation is another example of his visionary outlook into the business and entrepreneur world of Surat. Principal Dr. Naik's continual concern and perseverance in higher education resulted in setting up the Research Centre in Commerce in 2013 duly recognised by the Veer Narmad South Gujarat University. Being an excellent humanitarian he took the bold step to change the college timings to accommodate the students who pursue the professional courses along with their B. Com. degree.

The journey of 25 years of SPB is amazing, incredible and most satisfying.

Some of our students are heading educational Institutions in the city, some are into the Banking and Finance sector. Most of them are leading Chartered Accountants and holding responsible positions in the ICAI. Likewise there are a good number of cost accountants and Company Secretaries.

There was never a dearth for sports stars in SPB. Play local and perform Global is the spirit of SPBians in Sports and Games. Since its inception our presence in sports scenario of the VNSGU is exceptional. This is even with little facility we own in our campus. SPB is proud to declare this 25-long run dotted with Ranji stars, Santosh Trophy players, stars in athletics, Gymnastics, swimmers and lastly its indomitable table tennis stars- we held the championship for two decades of this 25-year journey at the University level. Our students represented India in Badminton, Gymnastics, Table Tennis and Yoga at international sports events.

Even though it's a commerce college our students have performed outstandingly at various cultural events, participated in Republic Day Celebrations - all with the help of dynamic mentors in cultural, debate, NCC and NSS units.

The very speck of the college has different but encouraging shades throughout its journey and strongly believes to move and progress further and higher. The very first batch paved way

for future generations with our student topping in the University examinations, Dr. Ramesh Oza, then Secretary of Sarvajanic Education Society commented on SPB as a "precocious child"

SPB experienced sad moments too in this short journey. The sad and untimely demise of Ms. Janet P. Hiradhar, first Vice Principal and in-charge Principal and Mr. DhirajKumar S. Solanki joined as a Safai Kamdar and promoted as a junior clerk was irreparable loss.

As we know that sky is the limit and also we believe that knowledge should pervade from all sides as our Rig-Veda emphasises, we continue our journey on a humble note with young hearts and brains of SPB.

30	2016	Dr. Martina Noronha appointed as Principal at Sir K.P.College of Commerce,Surat.

Office bearers of SES

Shri Ashit V. Gandhi

President
Sarvajanik Education Society
2015 till date

In 1988 the then President of Sarvajanik Education Society, a very well known cardiac Physician, Dr. R. H. Desai expressed his wishes in Annual General Meeting, that a state of the Art fully English Medium Commerce College be opened by Sarvajanik Education Society .

Fortunately I became the member of Managing Committee in 1990, when a historic resolution was made to start an English Medium Commerce College in near future and an Organizing Committee was formed to initiate all proceeding to start the college as fast as possible and for that purpose, an entertainment performance - a drama "Gurubrahma"

was arranged for five days as the first drive for donation. I was fortunate to be the coordinator and the donation drive was very successful.

Then a bigger donation of Rs. 31 lakhs was received from The Surat People's Co-operative Bank and thus we could name the college first of its kind in South Gujarat and may be in Gujarat, totally English Medium Commerce College. In those days one division of English medium commerce was going on in Sir. K. P. College of Commerce which was later on closed. In a short span, the college became very popular due to its quality of education by leading professors and the team of dedicated employees. The college attracted the best students of STD XII from different schools. I was fortunate that when I was Chairman of Sarvajanik Education Society in 2005., I had the opportunity to select Respected Principal Dr. V. D. Naik in the University interview. This selection brought wonders to the college and Principal Dr. V. D. Naik through his sheer leadership qualities, experience and dynamism led the college to become the top most commerce college, attracting brightest students from schools. The history continues today with great achievements in education, sports and cultural activities with students getting innumerable prizes, awards and shields.

The college has expanded manifold with the established of the P. G.

Centre and has also become a 'Mecca' for CA students.

I congratulate Respected Principal Dr.V.D.Naik and his team of very versatile and dedicated academicians and other staff members.

May this Saga of super success continue for years to come and the college remain the golden feather in the crown of Sarvajanik Education Society.

Shri Yatish Parekh

Chairman
Sarvajani Education Society
2015 till date

At the outset let me congratulate SPB English Medium College of Commerce on successful completion of 25 years and educational service to the commerce fraternity of Surat and surrounding area.

SPB as it is popularly known amongst all, is one of the Flagship institutes of Sarvajani Education Society.

My association with SPB College dates back to 1993, when my niece was studying. It was just a new college at that time, but soon found its name in the top

colleges of Veer Narmad South Gujarat University. Thereafter, many students, whom I knew, studied in SPB and with the education they had in the college, today they are well settled in their profession or vocation.

I had the privilege of becoming a member of Local Administrative Committee of the college and thereafter Chairman's Representative of this illustrious college.

I had the opportunity to watch very closely, the administration, finance and

other activities of the college, and I carry very high regards for the same.

The College has shined out with excellence with students' participation not only in education but also in sports. I appreciate the dedicated service of the past and present heads of the institution as well as teaching and non teaching staff. I wish all success to SPB English Medium College of Commerce in the years to come.

Wishing all SPBians a very happy Silver Jubilee.

સાર્વજનિક એજ્યુકેશન સોસાયટી
૨૦૧૬થી આજ સુધી

સાર્વજનિક એજ્યુકેશન સોસાયટીની શિક્ષણ યાત્રા-
માં એક માઈલસ્ટોન

સાર્વજનિક એજ્યુકેશન સોસાયટી સંચાલિત એસ.પી.બી. ઈંગ્લીશ મીડીયમ કોલેજ ઓફ કોમર્સ વી. ટી. ચોકસી કેમ્પસમાં ૧૯૯૧માં શરૂ કરવામાં આવી એ ઐતિહાસિક ઘટનાને ૨૦૧૬માં ૨૫મી સ વર્ષ પૂરા થયાં એ એક આનંદ અને સગર્વ નોંધ લેવા જેવી બાબત છે. કોઈપણ નવી સંસ્થાના ઈતિહાસમાં ૨૫ વર્ષનો ગાળો એક વિરામસ્થાન કહેવાય. આ પ્રસંગે થોડી પાછળ નજર કરી આ સમયગાળામાં સંસ્થાનો વિકાસ, તેના નબળાં - સબળાં પાસા, હવે ભવિષ્યમાં શું આયોજન કરવાની જરૂર છે તે બાબતે થોડું અવલોકન વિશ્લેષણ, આત્મચિંતન થાય એ એક તંદુરસ્ત પ્રણાલી છે. સોસાયટીની વિશાળ છાયામાં આ નવી પાંગરેલી સંસ્થા હવે ભવિષ્યમાં શિક્ષણક્ષેત્રે સુરત શહેર તેમજ વીર નર્મદ દક્ષિણ ગુજરાત યુનિવર્સિટીના ક્ષેત્રમાં કેવી રીતે મૂલ્યવાન નેતા સંસ્થા બની રહે તેવું આયોજન વિચારાય.

સૌ પ્રથમ તો એ નોંધવું જ જોઈએ કે એસ.પી.બી. કોલેજની એક આગવી પ્રતિમા અને પ્રતિભા ઊભી થઈ છે છતાં તેની છત્રછાયા તો સાર્વજનિક સોસાયટી જ છે. ૧૯૮૮માં યુનીલાલ ઘેલાભાઈ શાહે પ્રાથમિક શાળા - The English School સ્થાપી તેમાં આજની સોસાયટીના મૂળ રહેલા છે છતાં વિધિસર રીતે સાર્વજનિક એજ્યુકેશન સોસાયટીની શરૂઆત ૧૯૧૨માં થઈ એટલે આજે ૧૦૪ વર્ષ થયાં ગુજરાતના ઈતિહાસકારોએ શિક્ષણક્ષેત્રે સાર્વજનિક સોસાયટીને એક સૌથી પ્રથમ અગ્રેસર સંસ્થા ગણી તેના પ્રદાનની નોંધ લીધી છે. ૧૯૬૫માં દક્ષિણ ગુજરાત યુનિવર્સિટીની સ્થાપના

થઈ. દક્ષિણ ગુજરાતને અલગ યુનિવર્સિટી માટે જરૂરિયાત હોવાના મૂળમાં સાર્વજનિક સોસાયટીનો ઘણો મોટો ફાળો છે. વાસ્તવમાં યુનિવર્સિટીની પ્રથમ ઓફિસ સોસાયટીના કેમ્પસમાં જ શરૂ થઈ હતી.

સાર્વજનિક સોસાયટીના ૧૦૪ વર્ષોની વિકાસ યાત્રાના તે તબક્કા પાડી શકાય. પ્રથમ તબક્કો ૧૯૧૨થી ૧૯૬૦. આ ગાળામાં સોસાયટીના ક્ષેત્રમાં છ ઉચ્ચ શિક્ષણ અને ૧૮ જેટલી પ્રાથમિક, માધ્યમિક શાળાઓ હતી. બીજો વિકાસનો તબક્કો ૧૯૬૧માં, એસ.પી.બી. કોલેજની સ્થાપનાથી શરૂ થયો. આજે સોસાયટીના શિક્ષણ સામ્રાજ્યમાં ૧૬ જેટલી ઉચ્ચ શિક્ષણ સંસ્થાઓ અને ૧૯ જેટલી શાળાકીય શિક્ષણ સંસ્થાઓ છે. જેમાં ૩૫ થી ૩૮ હજાર જેટલા વિદ્યાર્થીઓ અભ્યાસ કરે છે.

૧૯૭૦ના ગાળા પછી સુરત શહેરના કલેવરમાં ક્રાંતિકારી પરિવર્તનો આવવા માંડ્યા, વેપાર ધંધા તથા ઉદ્યોગ ક્ષેત્રે સુરતમાં ગુજરાત રાજ્યના અન્ય વિસ્તારો તેમજ દેશના અન્ય તમામ રાજ્યોમાંથી રોજેરોજ રોટલો રળી ખાવા માટે લોકો આવવા માંડ્યા. પરિણામે સુરતમાં બિન ગુજરાતી વસ્તીની ટકાવારી ઘણી ઊંચી જતાં ગુજરાતી ભાષાના માધ્યમ ઉપરાંત અન્ય ભાષાઓમાં વિશેષ કરીને અંગ્રેજી માધ્યમની સંસ્થાઓ માટેની જરૂરિયાત તેમજ માંગ બળવત્તર બનતી ગઈ. આ સંજોગોમાં શિક્ષણક્ષેત્રે પ્રજાની જરૂરિયાતને પૂરી કરવાના ધ્યેયવાળી સોસાયટીએ તેની સર.કે.પી. કોલેજ ઓફ કોમર્સમાં પ્રથમ વર્ષમાં અંગ્રેજી માધ્યમનો એક વર્ગ શરૂ કર્યો. ૮૦ના વર્ષો દરમિયાન દક્ષિણ ગુજરાત યુનિવર્સિટીએ પ્રથમ વર્ષ બી. કોમમાં કોમર્સ કોલેજોમાં પ્રવેશ માટે કેન્દ્રિય પ્રવેશ નીતિ અપનાવી હતી. ૧૯૮૫-૮૧ દરમિયાન આ પ્રવેશ સમિતિનો હું ચેરમેન હતો. આ સમિતિએ અંગ્રેજી માધ્યમ માટે વધતી પ્રવેશ સંખ્યાને પહોંચી વળવા સુરત શહેરની અન્ય કોમર્સ કોલેજોને ભલામણ કરી પરંતુ આ પ્રસ્તાવને આવકાર મળ્યો નહી. હું વરસોથી સોસાયટીની વહીવટી સમિતિ અને મંડળમાં અગ્રેસર શ્રેયાન સભ્ય હતો એટલે મેં સોસાયટીના હોદ્દેદારો સમક્ષ સોસાયટી જ અંગ્રેજી માધ્યમની સ્વતંત્ર કોલેજ શરૂ કરે એવું સૂચન કર્યું. શિક્ષણક્ષેત્રે પ્રગતિશીલ અભિગમ ધરાવતી સોસાયટીના સંચાલકોએ અંગ્રેજી માધ્યમની જુદી કોલેજ શરૂ કરવાનો હિંમતભર્યો સ્તુત્ય નિર્ણય લીધો. સ.ને. ૧૯૯૧ અંગ્રેજી માધ્યમની કોમર્સ કોલેજ શરૂ થઈ. સુરતમાં શિક્ષણ તેમજ સમાજસેવાના ક્ષેત્રે ઉદાર સંભાવતો કરવા માટે હંમેશા તત્પર ઘી સુરત પીપલ્સ કો-ઓ બેંક તરફથી આ નવી કોલેજને નક્કર પાયા ઉપર મુકવા માટે દાન મળ્યું અને તેના પરિણામે કોલેજને નવું નામ આપવામાં આવ્યું

એસ.પી.બી. ઈંગ્લીશ મીડીયમ કોલેજ ઓફ કોમર્સ કોલેજ. આજે ૫૫મી વર્ષથી આ કોલેજ સોસાયટીના વી. ટી. ચોકસી કેમ્પસમાં વિશાળ મકાનમાં રહી તેની પ્રવૃત્તિઓ તથા કારભાર ચલાવે છે.

આ કોલેજ જૂન ૧૯૯૧માં શરૂ થઈ ત્યારપછી ઓગષ્ટ ૧૯૯૧માં મારી દક્ષિણ ગુજરાત યુનિવર્સિટીના કુલપતિ તરીકે પસંદગી થઈ. આ કોલેજના શિશુકાળના વર્ષોમાં દરેક સંસ્થાને ઉપજે છે તેવી મુશ્કેલીઓ તેમજ અવરોધો તો આવે જ. આ સમયગાળામાં સોસાયટી તેમજ કોલેજની મુશ્કેલીઓ, અવરોધો હલ કરવામાં હું મોટો ભાગ ભજવી શક્યો તેનો મને આનંદ છે અને ગર્વપૂર્વક કહી શકું કે, આ કોલેજની વિકાસ યાત્રામાં મારું અંગત રીતે તેમજ કેળવણીકાર અને વહીવટીકાર તરીકે પ્રદાન છે.

એસ.પી.બી. કોલેજ દક્ષિણ ગુજરાતમાં નિ:શંક પ્રતિષ્ઠા પ્રાપ્ત કરી છે. આ પ્રતિષ્ઠા મેળવવા માટે સૌ પ્રથમ તો સાર્વજનિક સોસાયટી, પછી કોલેજને પોતાનું 'ઘર' મળવા માટે જવાબદાર સુરત પીપલ્સ બેંક, તેનું સંચાલન કરનાર આચાર્યો, કર્મચારીઓ અને પ્રતિષ્ઠા અપાવનાર વિદ્યાર્થીઓ યશભાગી છે.

હાલના આચાર્ય ડો. વી.ડી.નાયકને અંગત રીતે હું જાણું છું. કુલપતિ તરીકેના મારા કાર્યકાળ ૧૯૯૧-૯૭ દરમિયાન તેઓ યુનિવર્સિટીમાં આંકડાશાસ્ત્ર વિભાગમાં અધ્યાપક હતા. ત્યારથી તેમના વિષે મારા માનસમાં તેઓ એક ઉત્સાહી, તરવરિયા અને નિષ્ઠાવાન શિક્ષક છે તેવી છાપ પડી હતી અને તેમની તે છાપ આજે પણ અકબંધ છે. મને ખાત્રી છે કે સૌના સહકાર અને સુમેળથી તેઓ એસ.પી.બી. કોલેજને ઉત્તમ કાર્યદક્ષ નેતૃત્વ પૂરું પાડી શકશે અને આ કોલેજ શિક્ષણક્ષેત્રે નવાં સોપાનો સર કરશે.

મારું એવું નમ્ર સૂચન છે કે, હવે પછીના વર્ષોમાં આ કોલેજે તેના સ્નાતક કક્ષાના કાર્યક્રમ ઉપર આગળ વિચારવું જોઈએ તેમજ માત્ર બી.કોમ. ડીગ્રીથી આગળ વાણિજ્ય વિદ્યાશાખામાં ઉદ્યોગ ક્ષેત્રે જે નવી જરૂરિયાત અને માંગ ઉભી થઈ છે અને ભવિષ્યમાં થશે તે ધ્યાનમાં રાખી ટૂંકા ગાળાના સર્ટીફિકેટ ડિપ્લોમા કે ડીગ્રી અભ્યાસક્રમો વિષે વિચારવું જોઈએ એટલું જ નહી પરંતુ વર્તમાનમાં નોકરી ધંધામાં ચાલુ યુવક યુવતીઓને તેમના વ્યવસાયમાં, નોકરીમાં જે બીજી વધારાની તાલીમ લાયકાત જરૂરી હોય તે માટેના માર્ગદર્શન શિબિરો માટે પણ વિચારી શકાય, તો હું માનું છું કે શિક્ષણ દ્વારા સમાજ વિકાસ અને સમાજ સેવા ક્ષેત્રે તે સોસાયટી તેમજ કોલેજનું મૂલ્યવાન પ્રદાન બની રહેશે.

Shri C. S. Jariwala

First Vice Chairman

Sarvajani Education Society

2015 till date

It is indeed a great pleasure that SPB English Medium College of Commerce is completing 25 glorious years and celebrating its SILVER JUBILEE YEAR in the field of education under the dynamic leadership of Principal Dr. V. D. Naik. Established in the year 1991, the college started functioning under the leadership of the then Principal Dr. G. J. Kapadia and thereafter under the

able leadership of Principal Dr. D. G. Patel, the SPB English Medium College of Commerce has been adjudged as one of the best college in the Veer Narmad South Gujarat University. This college holds the reputation for not only being excellent in academics but is also known for a number of excellent extra-curricular activities. It is a matter of proud acknowledgement that the efficient leadership, committed staff

and perseverance of students together have enabled this college to enjoy a significant position in the present educational scenario of South Gujarat.

I wish the college a very promising future and success in the field of education and congratulate all for successful celebration of Silver Jubilee Year.

Shri Rajni K. Marfatia
 Chairman

Sarvajanik Education Society
 2009-2011

The call from Dr. Pandya requesting me to submit my memoirs about the SPB college for incorporating in Suvenior to be published for the Silver Jubilee Function of the SPB college, took me down the memory link when President Ashit Gandhi and I became the members of the managing committee of SES in 1990. The managing committee was actively considering establishing an English medium commerce college to be the first of its kind in this area. I was a member of the sub committee formed under the chairmanship of Mr. Sunil Modi, our ex president. Shri Govindjikaka was the chairman and Shri Dilipbhai Marfatia was the vice chairman of society then.

Society was granted permission from the University to initiate with three divisions and thus our dream became a reality and a new English medium commerce college was started in 1991 under the principalship of Shri G. J. Kapadia.

Several suggestions arrived regarding the location of the college and finally it was decided to demolish one of the

old structures of the V. T. Choksi college campus and construct a new building. We all under the leadership of Shri Dilipbhai Marfatia successfully negotiated the donation of Rs. 25 lakhs from the Surat People's Bank for naming the college as SPB English Medium College of commerce. Thus our dream project started flapping its the wings. In the very first year, our student won the gold medal promising vibrant and vivacious institute in years to come. The college entered into its newly constructed own building in 1993. Shri Kapadia retired in 1995 and Shri Dr. D. G. Patel took charge of the college for nearly 8 years. The college was accorded grant in aid status and post graduate centre of Veer Narmad South Gujarat University is initiated. Thus, the college grew from a baby of 5 years to be a charming teen ager by 2002 and it started getting admiration from everybody in the community.

During the principalship of Dr. V. D Naik, the college flourished with all round activities and his slogan of mission moto "S-P-B i.e. Study-Perform-Blossom" has successfully resulted in making the college campus vibrant with many many programmes. The college got NAAC accreditation of 2.6 in 2009 and of 2.8 in 2014. The college also became a regular granted college from 2007.

The college started self financed taxation B. Com. program which is running successfully. The research centres for M Phill and Ph. D. course have also been initiated. The college by now has 1500 students and the admission to the college is considered prestigious.

Dr. Naik got elected as a syndicate member of the University and also became Dean in Commerce faculty of the University. He truly enhanced the prestige of the college in the community and the society in the university.

During the year 2008-09, from the students soliciting career in CA, there was a request to start a morning college. There

were several issues in favour and against with change of time. However, the management carried it through despite criticism.

Today the program is running successfully and 70% CA of this area are students of this college.

The students of the college have always been participating in various sports, cultural events, university youth festival and securing many medals. The college has been University Champion in Table Tennis (womens) for 20 years in succession and our student Hardik Desai represented India in International Table Tennis Tournament.

The students also participated successfully last year in the area of performing arts and presented the Drama "Paying Guest" prepared, acted and directed by the students and won the "C. C Mehta Award" of the University.

The students of the college are quite aware of social, healthcare programs of national importance. They participate in events of environment improvement, cancer and aids awareness events, marathon runs for project promotion and many participate regularly in University, State level and National events of sports, culture and general knowledge competitions.

The college has been recognized, by UGC as a college with a potential for excellence (2016-2021) with Rs. 1 crore grant from UGC. This is the crowning glory of the college.

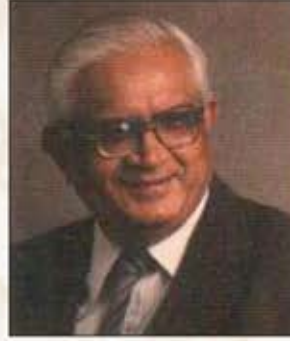

I wish the present SPB team of teaching and administrative staff continued success in their every endeavor to heighten the glory of the college. I am sure the present suvenir to be released to mark the Silver Jubilee celebrations of the college will unfold a variety of writings from many stalwarts of the community and from the knowledge wealth of the society.

Shri Kamlesh Yagnik

2nd Vice Chairman,
Sarvajanik Education Society
2015 till Date

SPB College has contributed immensely in the economic development of Surat city by generating much needed human capital for manufacturing and service sectors of the region. It has carved its niche among professionals working in areas of Banking, Finance and Insurance. It has efficiently used all its resources for the student community. Many known and unknown individuals of past and present have given their best in taking this institution of knowledge to a level where it is today. On attaining a milestone of 25th year I sincerely wish the Team SPB the best of luck amid many current challenges.

Dr Girish Kazi

President

Sarvajani Education Society

2006-2008

It gives me great pleasure to write a few words about the college on occasion of its Silver Jubilee.

Way back in 1990-91 a very important and thoughtful decision was taken by the Sarvajani Education Society, to establish an English medium commerce college, perhaps the first of its kind in Surat and South Gujarat, with offer of a handsome donation from the Surat People's Bank, Surat. Fortunately I was intimately involved in that historic decision of the SES.

The college was started in 1991 with Dr. G. J. Kapadia as the first principal.

The idea met an immediate success as the cravings for this was great amongst the parents and the students.

I am happy to say that a long felt need of the community was fulfilled and the college maintained its successful journey till today.

In all my talks and discussions with the students and the staff of the college, I emphasized that in this world, ENGLISH IS THE LANGUAGE OF COMMERCE. The college has fulfilled this motto.

I am happy to note on this occasion that several students of the college have

shown extra-ordinary capacity and interest to fulfil this motto.

I attended several seminars organized by the staff and the students, where the emphasis was on QUALITY of education.

Over the years the college has gained reputation all over Gujarat and will continue to shine in this field of education.

On this occasion of its Silver Jubilee I wish all the best to the students, staff and the college to achieve further heights and shine out at national and international levels.

Shri Sunil Kanhaiyalal Mody
President
Sarvajani Education Society
2011-2014

I am delighted to note that SPB English Medium College of Commerce is celebrating its Silver Jubilee this year. It is a big milestone and a great landmark in its journey towards academic excellence. I congratulate all the administrators, academicians, students and other functionaries on this glorious occasion.

The Sarvajani Education Society has always been a pioneer in the field of education in South Gujarat. Its foresighted vision and proactive action has enabled itself to start the first Arts College, the first Science Institute, the first Commerce College, the first Law College, the first Education College, the first English Medium Commerce College, the first SFI Engineering & Architecture College, the first SFI College of Business

Administration, the first SFI Institute of Management, the first SFI College of Computer Education & Applied Sciences, the first SFI Evening Commerce College and the first SFI College of Performing Arts not only in Surat but also in South Gujarat. I am most pleased to record that my family and myself have been closely associated with all these developments.

I am proud to mention that I have been involved in the development of SPB English Medium College of Commerce right from its inception. This college had a very modest beginning. Initially a few English Medium Divisions were opened in Sir K. P. College of Commerce but very soon a full-fledged English Medium Commerce College was started in 1991. Following munificent donation by Surat

People's Bank, it was named as SPB English Medium College of Commerce. The college has achieved distinction in both academic and co-curricular activities. It has become the most sought after college of South Gujarat. This prestigious college has been ranked very high by the State Government as well as NAAC. The college has the potential for achieving high standards of academic excellence.

I am fully confident that in years to come the college will grow from strength to strength and achieve success after success.

I wish all stake-holders all the very best in all their endeavours.

શ્રી પ્રવિણચંદ્ર પી. મોદી

પ્રમુખશ્રી

સાર્વજનિક એજ્યુકેશન સોસાયટી

૨૦૧૪-૨૦૧૫

એજ્યુકેશન સોસાયટી, કે જેણે દક્ષિણ ગુજરાતમાં પહેલી કોલેજ ચાલુ કરી હતી તેણે પડકાર ઝીલી લેવાનો નિર્ણય કર્યો.

સોસાયટીના આગેવાનોએ ગુજરાતની અગ્રગણ્ય ધી સુરત પીપલ્સ કો ઓપરેટીવ બેંકનો સંપર્ક કર્યો અને માતબર દાન મેળવ્યું. વી.ટી. ચોકસી ટ્રસ્ટે ઉદારતાથી દાનમા આપેલી વી.ટી. ચોકસી ગુરૂકૂળની જગ્યા ઉપર કોલેજનું બાંધકામ થયું. આ કેમ્પસમાં પહેલેથી બે કોલેજો ચાલતી હતી તેમાં ધી સુરત પીપલ્સ બેંક ઇગ્લોશ મીડીયમ કોલેજ ઓફ કોમર્સ શરૂ થયું.

આ કોલેજને શરૂઆતથી જ શ્રેષ્ઠ આચાર્યોનું નેતૃત્વ મળતું રહ્યું છે. શ્રેષ્ઠ અને વિદ્વાન પ્રોફેસરોએ આ સંસ્થાને

એમની સેવા આપી છે. પરિણામે આ સંસ્થા સુરત શહેરનું ઘરેણું બની રહી છે. વાણિજ્ય પવાહમાં શહેરને ઘણા ચાર્ટર્ડ એકાઉન્ટન્ટ્સ, વકીલો, ઉદ્યોગપતિઓ અને મેનેજરો આપ્યા છે. દુનિયાના કોઇપણ સ્થળે આ સંસ્થામાં ભણી ગયેલા સ્નાતકો મળી આવે તેમ છે.

આ કોલેજમાં મેં પણ આ સાર્વજનિક એજ્યુકેશન સોસાયટીના ચેરમેનના પ્રતિનિધિ તરીકે કામ કર્યું છે. સુંદર આહ્વાદક શૈક્ષણિક વાતાવરણ, ઉત્સાહથી કામ કરતાં પ્રધ્યાપકો અને આચાર્ય સાથે કામ કરવાની મને તક મળી. સંસ્થા વધારે પ્રગતિ કરે અને સંસ્થાના વિદ્યાર્થીઓ વધુને વધુ સન્માન પામે એવી શભેચ્છા....

આઝાદી પછી દેશમાં શિક્ષણનું પ્રમાણ સુધર્યું. તેમાં વિદ્યાર્થી અને વાલીઓમાં અંગ્રેજી શિક્ષણ તરફ આકર્ષણ વધતું ગયું, દેશમાં કોનવેન્ટ શાળાઓ ખુલતી ગઈ, જે માતૃભાષા સાથે અંગ્રેજીમાં પણ શિક્ષણ આપવા લાગી. સાર્વજનિક એજ્યુકેશન સોસાયટીએ પણ એક્ષપેરીમેન્ટલ હાઇસ્કૂલ ચાલુ કરી જે ગુજરાતી સાથે અંગ્રેજી માધ્યમમાં પણ શિક્ષણ આપતી હતી. આ રીતે અંગ્રેજી માધ્યમમાં ભણેલા અને હાયર સેકન્ડરી પાસ કરેલા વિદ્યાર્થીઓ વધતાં ગયા.

આવા વિદ્યાર્થીઓ માટે અને ખાસ કરીને વાણિજ્ય પવાહમાં અંગ્રેજી માધ્યમનો એક ક્લાસ હતો જે અંગ્રેજી માધ્યમના વધતાં જતાં વિદ્યાર્થીઓ માટે અપૂરતો હતો. આવા સંજોગોમાં સાર્વજનિક

Shri Dilip Marfatia
Chairman
Sarvajanik Education Society
1995-1997

Since 1977 I have been associated with Sarvajanik Education Society as member of Managing Committee. I also served the Society as Chairman during 1995-1997 and as President during 2011-13.

Before 25 years Dr.R.K.Desai the then President of our society told me that there was no English Medium Commerce College in Surat and our society must have at least one .We took up the challenge, Along with me were the then Chairman Mr G.U.Patel, Secretary Mehta Saheb and Mr. Sunil Modi. We started a donation drive. We received the following donations:-

Surat People's Bank donated Rs. 25 lakhs to name the college in their name. Then the donation of Rs.10 lakhs each was received from four donors, Rs.5 lakhs from Two donors and other small amounts from other donors. Even the principal and the staff members of Sir K. P. College of Commerce also brought some donations. Thereby we started the college with three divisions. One floor was built up then came second floor and thereby completed the building in two years.

There was great rush of students for admission to this college. But we could not help all because we were not getting Government Grant and our financial

position was very poor. At that time we were running 27 to 28 schools colleges and the society office. All these things required a good amount of fund but we can boast that we could start a full fledged college with full fledged good staff.

I am very happy and proud that I have been associated with the progress of this college and the society in general and have derived so much satisfaction from it. I have always maintained that the reputation of the Society has also played a very important role in my success.

I wish the college a very bright future.

Shri Dinkerrai C. Naik
Chairman
Sarvajani Education Society
2005-2007

It is a great pleasure and pride for me to note that SPB English Medium College of Commerce has completed Twenty Five years of its existence.

SPB College was established as a very modest beginning. Since then it has progressed continuously and in twenty five years, under the visionary leadership of successive Principals Dr. G. J. Kapadia, Dr. D. G. Patel and Dr. V. D. Naik, it has now grown-up and has become one of the most prestigious institutes. The college is not only providing the formal education in commerce but it also provides complete education with a view to developing complete human beings. The Vision statement of the college under the caption "Competence in Career and Correctitude in Character" and the Mission statement under the caption "Study-Perform-Blossom" meaning (ભણવું - ગણવું - ખીલવું)

very aptly indicate the focus of the education in the college.

SPB English Medium College of Commerce was the first English medium college in the entire South Gujarat region and has earned very high respect and fame and has introduced a new a programme too.

It is also a matter of satisfaction for me that I was also instrumental towards getting donation of Rs. 10 lakhs for the development of the college in the initial stage and also Rs. 30 lakhs donation for the second floor of the college building where the sister college BRCM College of Business Administration is functioning.

I was Chairman of 'Building Committee' of Sarvajani Education Society for a number of years and hence I was also associated when the third floor of the college building was developed to provide more facilities to the students of

the colleges on the campus.

When I was Chairman of the Sarvajani Education Society, looking to the requirement of Seminar cum Multipurpose Hall on the campus, an AC Hall with furniture and fixtures was constructed on the campus of the college.

I take this opportunity to congratulate all the past and present faculty members and Principals who have worked with absolute dedication and have shaped very bright careers of thousands of students and have brought laurels to this great Institution and the Sarvajani Education Society. I am also happy to note that more than 600 students of the college have qualified as Chartered Accountants and professionals in various fields.

I wish a very bright future to the College.

Shri Rupin Patchigar
Chairman
Sarvajanik Education Society
2007-2009

I am indeed happy to note that SPB English Medium College of Commerce, Surat is celebrating its Silver Jubilee year. 25th year is a landmark year. We have seen the slow but steady progress of the college.

This is the grant in aid college which imparts education of commerce in English medium. Looking to the development of the city and future of the students, an English Medium college was the need of the day 25 years back. The Sarvajanik Education Society one of the oldest education societies of the city, took a challenge to establish English Medium Commerce College with the support of Surat People's Co-Op. Bank Ltd.

I was happy to be a part of this college first as a Vice Chairman of SES for four years and then as a Chairman of the Sarvajanik Education Society in the year 2007-2008 and 2008-2009. When I took over the charge as the Chairman, the college was running in day shift. The dispute regarding timing of the college was going on for many years. The SPB College is a permanent grant in aid college. The building of the college belongs to

SPB College. With a view to help the students of BBA, certain rooms were allotted to BRCM College. Hence SPB was continuously representing for morning shift. The local administrative committee of the college had also demanded and suggested for morning shift on valid grounds.

It was explained by Local Administration Committee that more than 200 students of the college had joined the articleship of CA course and by the beginning of academic year 2008-09 more than 400 students of the college would be doing articleship. For such students no other college timings, except the morning session was suitable. Therefore in the interest of the students of SPB College and BRCM College, society established sufficient classes by dividing existing big classes which could accommodate 250 students of BRCM College. Thus SPB College got all its right as a grant-in-aid college of the SES. And the problem of SPB regarding morning shift was solved amicably.

This college has always been a progressive college. It has produced numerous scholar students who have acquired All India Rank in Chartered Accountancy course. There are students who have passed the professional exam like ICWA and CS. The college has always got meritorious students. They are not only scholars on academic side but they have also won the various medals in sports and cultural activities too.

During my tenure as the Chairman of SES, the Society started the Inter collegiate Sports Competition for the first time in the history of SES. I am happy to inform that in almost all sports, students of SPB College were winners. In SES Inter Collegiate Tournament SPB team won the championship in five games such as Basketball (Men) Table Tennis (Men) Table Tennis (Women) Volleyball (Men) and Volleyball (Women). The college was at top with these five championships in the tournament. SPB College participated in

various games and sports at the VNSG Uni. Inter Collegiate, Inter University, State, National and International level events and bagged many prizes.

To encourage participation of the students, the SPB College took part in various cultural activities of University Youth Festival. The college participated in seven events and won five prizes. The students are and have been much active in extra curricular activities like sports, cultural programme, NSS etc.

The person behind the activities and educational participation was Principal V. D. Naik. I can proudly say that in January 2005, I took the Interview of Shri V. D. Naik in the University committee as a representative of SES to decide Principal of SPB. We selected him as principal of the college. Right from his appointment till date he is very active as principal. He is a master administrator and the finest academician. His leadership brought laurels to the college and ultimately to SES.

The staff of the college is also very co-operative. Professors and Assistant Professors are very active in teaching and that has made the college number one in VNSG Uni.

I am sure Prin. V. D. Naik and his team will continue on their path of Education and Activities which can keep the flag of the SPB in the sky.

Wish you all the success in future.

Shri Rameshchandra G. Shah
Chairman
Sarvajanik Education Society
2011-2013

My association with Sarvajanik Education Society has been for over five decades. My father Shri G.P. Shah was member of Managing Committee when the Society celebrated its Golden Jubilee. It was my proud privilege to lead the Society as the Chairman when Society Celebrated its Centenary year. Therefore I have seen the SPB English Medium College of Commerce fulfilling the dream of Society for Centre of excellence in the Commerce Education with English as medium of instruction. A small seed planted in 1991 by the Society has now turned into a big tree nourishing about 1500 students every year.

During this journey of over one hundred year, SPB College has passed

through many ups and downs. Against all odds the faculty members of the college, Principals, office bearers of the college Administrative Committee, members of Managing Committee of the Society have strived with courage and kept the flag flying. It was my proud privilege to be part of the growth of the college.

The college has been recognized as "Centre with Potential for Excellence" in the Silver Jubilee year. I congratulate Principal Dr V.D.Naik and the faculty members for bringing prestige to the society.

In last two decades life has changed totally. The innovations in electronics and communication fields have made the impossible possible. We

have virtually become the citizens of the world. This change demands a drastic change in our system. We need therefore to change the system of education. The education has to go beyond the walls of class rooms and the lecturers, the principals and the Management have to improve themselves to change dynamically with changing times.

There are many dreams which are yet to be fulfilled. The march will go on and the college will continue to propagate the glow of knowledge exploring in commerce.

May Almighty shower his blessings on all.

Shri Kashyap K. Mehta
Chairman
Sarvajanik Education Society
2013-2015

I am delighted to send my greetings and best wishes to Prin. Dr. V. D. Naik and his enthusiastic team of teaching and non teaching staff of SPB English Medium College of Commerce on the celebration of their Silver Jubilee. Such milestones provide us the opportunity to pause and look back on the way we have travelled.

Sarvajanik Education Society recognised the need of an English Medium Commerce College in our City way back in 1990. Society could start this college in 1991 with the generous donation from Surat People's Cooperative Bank. During its journey of over two and a half decades, the college

has crossed many milestones and has achieved glory in academics as well as co-curricular activities and brought pride to the Society.

SPB English Medium College of Commerce has always remained the first choice for the students and teachers - making it the most sought institute. Over years the College has progressed in leaps and bounds under the able leadership of dynamic Prin. G. J. Kapadia and then Dr. D. G. Patel.

I must mention with pride the contribution of Dr. V. D. Naik and his team during the last decade. His ability to lead the team from one success to another has earned him good dividends and the

College tops the list in our University. This college is a premier institute of the city and has an impressive list of alumni who have brought glory to the College and teachers through their outstanding achievements.

During my Chairmanship, I had opportunity to address and interact with the staff members of this College on several occasions and have found them a fine lot of enthusiastic and live wire youngsters ready to take up challenges and I could sense the secret of successful journey of this Institution.

On this Occasion, I wish the very best to the entire team of SPB and wish them success and glory at every step in the future.

25 years of Complete Education

The Sarvajanic Education Society has given me a second chance to associate myself with this wonderful, popular, prestigious and much loved commerce college.

SPB English Medium College Of Commerce has completed 25 years, offering Complete Education to its students. The contribution of the Principals the professors, all the faculties, office staff and peons to the meritorious growth of the college over the years has

Shri Shreyas Gandhi

Chairman
College Administrative Committee
2016 till Date

led to ever growing demand for admission to the college .

The complete growth means excelling in sports, co-curricular activities, developing students to become responsible citizens of India. Imbibing good virtues, good education and success in life is more important than only monetary gains. Life is not about money. It is about balancing life and enjoying life as a whole.

In today's world, money is important no doubt about it. But no one

can snatch away the money written in your fate. Trust Yourself, trust God, trust your knowledge and good values, be Blessed by Principal, professors and teachers who contributed to your growth as you grew.

We have to choose from two paths. The right path or the wrong path. Are we contented with what we have ? Do we desire wealth more over well being ? The choice is ours.

May God Bless us all and be with us always.

શ્રી કમલેશ એમ. પટેલ

અધ્યક્ષ
કોલેજ વહિવટી સમિતિ
૨૦૦૧ - ૨૦૦૨

કોલેજે શિક્ષણ જગતમા આગવું સ્થાન પ્રાપ્ત કરી પોતાના અસ્તિત્વને સાર્થક કર્યું છે. કોલેજની રજત જયંતિ ઉજવાય છે તે પ્રસંગે હું હાર્દિક શુભેચ્છાઓ પાઠવું છું અને સુવાનો સામેના ઉભા થનાર પડકારોનો પ્રતિકાર કરવાનું સામર્થ્ય કોલેજ સિદ્ધ કરી સિદ્ધિના અનેક શિખરો સર કરે તેવી મોકળા મનથી શુભેચ્છાઓ પાઠવું છું.

Shri Janak Patchigar

Chairman

College Administrative Committee

2012 - 2013

At the outset I congratulate SPB English Medium College of Commerce, Surat on celebration of Silver Jubilee Year. It was a great opportunity given to me in the year 2012-13 by Mr. R. G. Shah, Chairman of the Sarvajanic Education Society, to be the chairman of Local administrative Committee of SPB English Medium College of Commerce, Surat. I have worked hard for the upliftment of various activities of college with my colleagues of the Local Committee. I am thankful to the committee members of LAC Mr. S. A. Raval, Mr. K. K. Dalai, Mr. Rajiv Mashruwala, Mr. Rajkumar Somani, Mr.

Rajkumar Agrawal, Mr. Kalpesh Saraiya, Mr. Kamal Jain and Mr. Nandkishor Jain for their positive co-operation during my year. I am also thankful to Dr. V. D. Naik, Principal, Dr. Martina Naronha, Vice Principal, and Mr. Naresh Prajapati staff member for their co-operation. During my year, I once again started to reallocate the library by writing off the old books and adding new reading books and materials in the library of the college. During my tenure paver blocks in the parking was done and routine audit work and other

administrative work have been completed by the committee. Once again

college cultural gathering, with prize distribution started. Mrs. Heenaben Oza took pains in organizing the cultural gathering and I was surprised and very happy when I saw the stage show of students. I felt proud when I saw the result of students. They were best in academics and cultural activities and are best today also.

My best wishes to all the students of SPB College of Commerce, Surat for their bright career.

I would love to work once again for SPB College if opportunity is given to me.

Jai Hind

Shri Rajesh S. Desai

Chairman
College Administrative Committee
2013-2015

The future well being and progress of any country can always be determined by how much the youth of that country are empowered with education. And in this aspect, as far as Surat is concerned, the SPB English Medium College of Commerce has given a remarkable contribution. This College, an institution par excellence in not only academics but also in sports and cultural activities, has produced students of very high calibre.

This year, as the SPB English Medium College completes its 25 glorious years of excellence, I consider it my proud privilege to be a part of its Silver Jubilee Celebration.

We are all aware of and take great

pride in the fact that this college is acclaimed as one of the best ones in its field in the whole of South Gujarat and a precious creation of Sarvajanic Education Society of Surat. This renown society again by itself is amongst the rarest institutes in the state of Gujarat which has glorious history of its own by completing 100 years of establishment and achieving great heights by its outstanding contribution and high morals in the field of education.

I have always admired our youth because I firmly believe that it is the youth that is the real asset of the nation. Youth are the future of our country. I take great pride in sharing the fact that I was blessed to be the Chairman of the Local Administrative Committee of the college. I

shall always cherish this period of my life as a golden one.

The journey of 25 long years of the college has been marvelous and outstanding due to the efficient team work of renowned and dedicated principals, teachers, office-bearers and staff members. The past has been indeed glorious! May the future be equally brilliant!!!

Congratulations to one and all on the completion of 25 years of excellence and wishing the institution a brighter and fruitful tomorrow, where dreams become a reality, success a routine and happiness a habit.

GOOD LUCK & ALL THE BEST

Shri Nimesh S. Bachkaniwala

Chairman

College Administrative Committee
2015 - 2016

For last 6 years I have been associated with Sarvjanik Education Society as member of Managing Committee. As a representative of Managing Committee I also had privilege of serving as Chairman of Administrative Committee of various colleges of Sarvjanik Education Society. One such college is SPB English Medium College of Commerce. I had the proud privilege of serving this college as Chairman of Administrative Committee.

During our college days we did not have exclusive English medium college for commerce education in entire South Gujarat University area. In those days, for commerce education, the only facility

available for commerce education in English medium was one division of English medium at Sir K. P. College of Commerce, which is primarily a Gujarati medium college. I was an English medium commerce student at Sir K. P. College of Commerce during 1979 to 1982. Having the experience of those days I can understand how big a step it was for Sarvjanik Education Society to start an exclusive English medium college for commerce education and how big a blessing it is for commerce students of Surat city as well as the South Gujarat University area.

Having seen the college growing I can say that it is a matter of great pride for Sarvjanik Education Society to have a college like SPB English Medium College of Commerce as one of the brightest jewels in its crown.

First two principals of this college, Dr. G. J. Kapadia and Dr. D. G. Patel were my teachers at Sir K. P. College of Commerce. As Chairman of Administrative Committee of the College I have also seen the present Principal Dr. V. D. Naik working very hard for the development of the students, teachers and the college as a whole. The glittering achievements of the students in academics, sports and cultural activities over the years illustrates vividly the standing of the college at University level as well as at the national level. For that we must give all the credit to these

three principals of the college and the teachers as well as management of the college over the last 25 years.

During my tenure as Chairman of Administrative Committee of the college, the college has been recognised as Centre with Potential for Excellence for the period 2016 to 2021 along with grant of Rs. One crore. This is a glittering proof of the growth and the standing the college has achieved during last 25 years.

I wish the College many more such accolades in future.

Dr. G. J. Kapadia

Founder Principal

1991-1995

I Remember.....

Nineth May 1991 was an important day in my life. On that day I became the Pioneering Principal of the first "English Medium Commerce College in Surat - The Surat People's Bank English Medium College of Commerce", an additional institution started by the famous and reputed Sarvajanic Education Society of Surat.

Excepting for the land, building and other physical aspects, I was then responsible for doing everything else in the new college.

I had to do everything very fast in the college and for the college as I became the Principal of the college at the age of fifty seven and had to retire at the age of sixty as per the rules of the University, i.e, I had only four years at my disposal for the purpose.

It was a difficult task for me in the sense that I had to do everything to make the college the best college as per my dreams and as expected by many in and outside the Sarvajanic Education Society. So to say I had to become young in a hurry.

In the college, I had to appoint the staff-teaching, non-teaching and admit the students every year, establish the office,

library & particularly the procedures and processes of carrying out the curricular, extra curricular and other activities, deal with the university, government, outsiders, the staff and the students, establish the discipline in the college.

I was simply a lecturer in Sir K. P. College of Commerce, teaching both the Gujarati and English medium students for more than three decades. During that period of time I had the opportunity to work under two very capable Principals of the college - Principal A. R. Desai and late Principal T. M. Vakil. I worked with late Prof. Hakumatbhai Desai in the student's council. I worked under all of them and observed them very closely at work.

So, I learnt from them how to run the college and how to carry out various activities in the college.

Because of my experience under those stalwarts, I could work in SPB College as efficiently and effectively as I did.

Almost all the members of staff in the college were new and had little experience of college work activities. So, I had to help and guide them in almost all the activities. Of course, all of them were always co-operative with me in all the activities of the college.

So far as the Sarvajanic Education Society is concerned, the great tradition of noninterference in the day to day work of the Principals of Colleges, was maintained by the then Chairman, Vice Chairman and other office bearers and the managing and executive committees of the society. That gave me, and other principals, the necessary autonomy in doing the work. Of course they helped whenever necessary.

Particularly late Principal Kunjivhari C. Mehta as the then Secretary of the society was of great help to me in solving some of my day to day and other problems and came to my rescue whenever approached. After his sad demise the new secretary late Principal Dr. R. G. Oza also actively helped in the problems regarding the grant of the college and other matters with the government.

The college sent its first batch of students to the B.Com degree examination of the university, in its third year viz 1993-94. I proudly said then and can say now also that from amongst all the first class students of B.Com examination of the university that year forty three percent (43%) of the students were from our college. Not only that but the Gold Medalist, first class first student in the examination of the university was from our college Mr. Jimmy Kapadia, who is now Professor and Director of Luthra Institute of Management - another institution started and run by the Sarvajanic Education Society.

In the activities of sports, some of our students brought prizes for the college in all the four years under the able guidance of our Physical Education Professor Dr. Saha. In cultural activities also under the guidance and help of concerned Professors of our college, students excelled in some of the activities. Thereafter also their achievements are continued.

Nearly half of the professors of our college are Ph.Ds. which is also creditable.

Again, Dr. Martina Noronha, one time my student in Sir K. P. College and then my colleague in the SPB English Medium College and then working as the Vice-Principal of the college has been selected by the concerned authority and is now working as the Principal of Sir. K. P. College of Commerce, Surat.

All these have brought honour SPB English Medium College of Commerce, Surat.

The SPB English Medium College of Commerce, Surat has completed twenty five (25) years of its successful existence and is celebrating its silver jubilee this year.

During its existence of 25 years the students have brought many medals and prizes to the college in educational, sports, cultural and other activities under the able guidance and help of its Principals, the teaching staff, the non teaching staff.

In the silver jubilee year my congratulations to all connected with the college and particularly the Principal and all the members of the staff.

Dr. D. G. Patel

Principal
1995-2003

Before resuming duty as the Principal of SPB English Medium College of Commerce, Surat, I was working as a lecturer as well as a post graduate teacher at Sir K.P.College of Commerce since July-1964. In 1995 I was selected as principal of SPB English Medium College of Commerce, Surat by the Sarvajanic Education Society, Surat and I joined on 3rd July 1995 as the Principal of this college and retired on 31st October 2003. During my tenure, I think I had fulfilled all my duties and responsibilities as the principal with full cooperation of the teaching and non-teaching staff. I was teaching Statistics to the Third Year B.Com Students and I think they were very happy with my teaching.

During my tenure many students won prizes in curricular activities and games and brought glory to the college. This is only due to the sincerity and hard work of the teaching staff of the college.

I am proud that I was the Principal of such a famous English medium college of commerce of South Gujarat.

Dr. Martina R. Noronha

Vice Principal
2006-2016

Those were the days.....

As I look at the days gone by at SPB College, I sense a wave of emotions. It makes me nostalgic as I remember those twenty five years of my life spent there. I have a myriad of experiences, too many to mention that have imparted my life in a memorable and meaningful way.

It was in June 1991, that SPB College was started to cater to the needs of English Medium students of Surat. It was a remarkable decision by Sarvajani Education Society that created history. There was no college building at that time. The teaching staff shared the staffroom of Law College and the classes were conducted in the Law College building, even in the basement rooms. The principal's office, administrative staff office and the library was housed in the humble non-teaching quarters. The College got its present building in 1993 and the college received the government grant in 1994. I recall those days when the

final University Examinations were conducted at M.T.B. Arts College and we had to carry all the stationery to M.T.B. Arts College. The seed was sown and a team of Principal Shri G. J. Kapadia, Vice-Principal Mrs. Janet Hiradhar, Prof. Ashok Saha, Librarian N. Padma and myself struggled hard to lay the foundation to build this great Institution. The administrative staff comprised of Shri A. N. Naik, retired Office Superintendent from Sir K. P. College, who guided the new team of administrative staff of Shri A. S. Kavishwar, Shri R. A. Gandhi and Shri N. M. Prajapati. The teaching staff swelled in the very second year. More recruitments took place and the first batch of final year students graduated in 1994. The years at SPB College have taught me the value of having a positive and enthusiastic group of colleagues.

The first Principal Dr. G. J. Kapadia played an integral part in making this college that is today. He has always been my biggest supporter in my formative years. He helped me to face my weaknesses and build my strengths. His support, enthusiasm and pride in me is something I will always cherish. I remember taking twenty-four lectures in a week during his tenure. The next Principal Dr. D. G. Patel taught me to be resilient and strong. He inspired me and encouraged me to be the person that I wanted to be and make the most of every opportunity, that I came across. My tenure as Vice Principal began after Dr V. D. Naik took over as the third Principal of the college. His experience at the University has helped the college to flourish under his guidance. He encouraged me to think out of the box and helped me to gain vast

experience in administration. I value the opportunities I have been exposed to under his tenure.

Students have always been close to my heart. They have always approached me in case of any difficulty or guidance. They have showered their love and affection on me over the years. SPB College has helped to flower their talents in all fields. The students have brought laurels to the college by excelling in all activities, be it sports, academics, cultural, debate and elocution and so on, I have fond memories of accompanying students to various places such as Leprosy hospitals, Old Age homes, Banks, IIM Ahmedabad etc.

SPB College has achieved great heights of excellence over the span of twenty five years. The SPB family is a family I will always fondly remember. I wish them all the best in the years to come.

Dr. Ashok Saha
Associate Professor
Physical Education
1992 till date

My Journey in the Sports Activity of last 25 years in SPB English Medium College of Commerce

My tenure in SPB during the last 25 years has been full of wonderful memories, which I would like to narrate in a summary.

SPB in its early years had a handful of sports interested students. As the time passed the caravan of the students in the sports activity kept on rising.

The 1st Principal Dr. G. J. Kapadia played an important role in giving immense support in the area of sports. Despite of the limitation of infrastructure and other facilities, we some how motivated our students to participate in almost all the games. These were the initial year when we were struggling to make our presence in the University of

South Gujarat.

The next Principal Dr. D.G.Patel who was a gem of a person. He extended his whole hearted support for providing all the necessary help to promote and carry out all the development which was needed. During his tenure, the college started making its presence felt at the inter college, inter university, state, national and inter-national level. Subsequently the students were able to acquire positions at inter collegiate and the inter university level in the games like Lawn Tennis, Table Tennis, Swimming, Foot Ball, Basket Ball etc.

The present Principal Dr. V. D. Naik is held in high esteem in the college. He is a man who loves sports and has strong passion for sports. He has immensely motivated me with his all out support where ever necessary. Presently the college has performed incredibly well in the various competitions and other sports activity. Our sports students have dominated in games like, Foot Ball, Table Tennis, Boxing, Badminton, Body Building (Best Physique).

I take immense pride to mention about Shri Chirag Gandhi who played for Gujarat Ranji Trophy in all the three formats of the game. He has also represented the Gujarat Ranji team in Irani Trophy and Vizzi Trophy and has also played in C.K.Naidu Trophy.

The college also appreciates swimming stars Prateek and Prameet Bhargav for winning medals at all India inter university and at the National level. Miss Payal Borkar and Rustom Sethna represented Gujarat State team at the Ranji Trophy.

Mr. Umang Dawn represented

India team in Yoga Asana at international level. He has also won Silver medal at the inter university level.

Miss Frenaz Chipia represented India in Table Tennis at the international level. At present she is 8 seeded in India.

Miss Anjali Ravat represented India in Badminton at the international level. Besides she was a member of Inter University West Zone Champion and Runners up team.

Miss Shenon Christian was the member of Inter University West Zone Champion Team and was also a member of Runners up team. At present she is Gujarat No One.

Miss Tvisha Dhami represented Indian team in Gymnastics at the international level. Here I also like to mention that our college Women's Table Tennis team has won the inter college championship for consecutive 20 years and our Men's Football team bagged the consecutive championship for 4 years.

While the college celebrates its 25th Silver Jubilee Year. I am confident and gear up all my efforts to excel in various games and sports for registering many more milestones in the years to come.

Dr. Pinak K. Chakrabarty

Associate Professor and Head
Department of Commerce
1992 till date

As I ponder over my thoughts of the past 25 years of my SPB career, I have many things to share.

SPB College was established in June-1991. Since its inception it has been imparting value based education to generations of students who have reached pinnacles of success in their respective fields.

Dr. G. J. Kapadia the 1st Principal of the college has contributed initially to build up the Brand image of this institute. As a person he has been very humble and has always been available for discussion to resolve all our problems. Dr. D. G. Patel was the next principal who succeeded Dr. Kapadia. Dr. D. G. Patel was a good administrator and during his tenure the college started M.Com P. G. Centre. By this time most of our college teachers were recognized Post Graduate

teachers.

Dr. V. D. Naik joined as a Principal in the year 2005. He is a person with rich academic and administrative experience. He is also backed with the experience of Registrar's post which he held at the Veer Narmad South Gujarat University. Under his able leadership the college has been accredited two times by the U.G.C. He was also successful in getting grant from the University Grant Commission on several occasions. He has installed ICT gadgets to make the class rooms most lively for the students and teachers.

The office staff has also been co operative and supportive at all times.

I also had the opportunity to work as N.S.S. Programme Officer for 13 long year. This however gave me an opportunity to understand the students better. Together we undertook many social activities and worked for the poorest of the poor. The N.S.S. activity could inculcate a sense of Social Responsibility and accountability among the students.

The college provides the students with excellent and brilliant academic structure through intellectual, cultural, sports and other curricular exposure. The alumni of our college have acquired very high positions in all walks of life such as industry, education, sports and in the area of Public Administration.

Our students have a brilliant track record in academics. They have excelled in the university result and have won many medals and prizes. The students have won laurels in the area of cultural activity at the State and National level competitions.

Our sports persons have bagged

many championships and have brought glory to the college. We have exposed our students to learning which fosters relentless academic growth, development and achievement of excellence.

The college is equipped with competent and highly learned faculty who are constantly engaged in upgrading themselves and imparting knowledge to the students. The professors are always willing to support students towards excellence in academic, cultural and sports activities.

The college regularly hosts expert faculty lectures and other literary events to widen the horizons of knowledge of the students.

The faculty also experiments and innovates various type of teaching methods such as Group Discussion, Case Studies and Assignments in order to supplement formal learning in the class. Industrial visits are also arranged from time to time to acquaint the students with the practical world. I am proud to be a part of SPB for the celebration of the 25th Silver Jubilee Year.

Dr. Punyaprava Pradhan

Associate Professor and Head
Department of Accountancy
1992 till date

When I joined SPB English Medium College of Commerce more than two decades ago, I was excited as I was stepping towards a noble profession and I felt that I could make a difference in the lives of young individuals.

Teaching has been a great experience. Every day when I wake up, the thought of going to college and engaging with students, energises me and inspires me to grow both intellectually and professionally. I want to devote my time, energy and efforts by working with students and helping them to bring out the best within themselves because in this process I learn a lot from my students.

This college has given me the opportunity to expand my horizon and made me a confident person (here confidence means "I could be myself"). At the end of each and every passing day, I go home happy, satisfied because I know that I have chosen a noble profession and I could not ask anything better.

Over the past several years it has been an exciting journey of learning. SPB English Medium College of Commerce focuses not only on the academic aspects of an individual but it also helps to nurture the young mind to bring out the best within them. Many of our students have excelled in academics, sports and cultural fields

and have brought laurels to the state as well as the country. The college has truly become not only a centre of learning but an altar of excellence.

This journey so far has been a joyous one. I am humbled and honoured to meet some of the most influential teachers from all walks of life. This experience has touched my life in many ways.

Lastly I would like to conclude by quoting Mahatma Gandhi who once said

***"Live as if you were to die tomorrow.
Learn as if you were to live forever".***

Ms. N. Padma

Librarian
1992 till date

LIBRARY – THE LEARNING RESOURCE CENTER

It gives me a great privilege to be the first librarian and founder member of this valuable resource centre in SPB Commerce College. Never had I dreamt to be associated with a pinnacle of educational institution.

SPB Library is a surprising milestone in my life. I reared it as my child with all paths to tread kept open, so that it flourishes in the right way for the future. The support of Principal Dr. G. J. Kapadia, a well-read person at the helm of the affairs was the necessary shot in the arm. The library, started in small two rooms behind the present building, shifted into the new building with beautiful interiors, is another gift I received. Members in the library committee and the principals were always sensible and accommodative to bring the library holdings to this point today.

Dr. Kapadia's watchfulness worked wonders in those beginning four years. His guidance and steel resolve are instrumental in shaping the college in general and the library in particular.

Dr. D. G. Patel's tenure as Principal has been the golden period as we attained the Grant in Aid status, installed Computers and Library Management Software into the library with necessary accessories, started Self Finance BRCM College for Business Administration in our premises and above all the P. G. Centre in Commerce of Veer Narmad South Gujarat University, Surat. All these helped to expand the library resources and extend its services in a totally different way suitable in the digital era.

Dr. V. D. Naik another leader we have the privilege to work with is an inspiring guiding light to search and hunt "opportunity". He transformed the bookish library environment into an active

workplace par excellence by setting up a computer lab with free internet facility to the library users. It facilitated the students to keep abreast with latest information and also to apply and register online for jobs and competitive examinations. Dr. V. D. Naik gave us a free hand to work but within the framework that makes the institution an amazing place with several self development programs and societal responsibilities.

Its indeed a 'destiny' I never dreamt of in my student life. Being a science student, I never thought of a career in the Commerce orbit. It was a colourful and delightful journey I thoroughly enjoyed, still enjoying.

May God Keep this Blissful going on.....

Dr. Heena Sunil Oza

Associate Professor
 Department of Accountancy
 1992 till date

My Journey with SPB College...

Many a times our alumni who meet after a number of years ask the question "are you still with SPB college?"

Now I am going to complete 25 years in this very institute and my work and workplace is so much of value to me.....so... for those who know less about the width and depth of our work, the following few paragraphs depict my journey with the College

Recalling the earlier days.... I joined the College, at a young age and therefore, the age gap between the students and me used to be less than a decade. It was a shift of my career from manufacturing industry to knowledge industry – from a 'high profile sector to a sector which encouraged modesty – as a part of work –life balance decision. Many people had warned me of "too demanding English medium students not only academically but also in classroom control, monotony and stagnation etc. so i joined the College with lots of

apprehension may be for a few year

The first week was testing time for me as well as for most of my colleagues..... we passed the test and class room control target was achieved..... with rock solid support of then Principal Dr. G. J. Kapadia sir, making our task manageable. I admire him for the strong foundation he laid as the leader and for sowing in us the seed of work culture to take our work seriously, with commitment.

Earlier years used to be more interactive as we had tutorial system. There used to be heterogeneous mix of students..... studious.... bright..... noisy..... naughty..... and so onClasses, tutorials and celebration of days used to make the College campus vibrant. Very few students used to do any parallel advanced course and so they were more available for college activities. Then Principal Dr D. G. Patel sir continued the legacy and led us to work for betterment of College and students.

If our initial years were more focused on classroom teaching, managing days and assessment, things started changing with our attending of Refresher and Orientation Courses. We learnt that for making 'career in academics', developing learning attitude and research were essential. It added very vital dimension to our work. From there onwards we learnt to attend conferences and prepare and present research papers. The initial phase of learning was more restricted to conferences.

The learning in that phase helped me to write research papers that can pass the test of research publication. The introduction of M. Phil. and Ph. D. in Commerce helped us to grow vertically in research activities. Experience in academic research has helped to do worthy and useful research, guiding students to earn their Ph. D and M. Phil and further work in research and publication area. Now, after a decade or so

in active research, it is a matter of pride that our research students are now growing in depth and guiding other research students.

In last decade or so, our work has become more demanding – more number of students doing advanced courses simultaneously, working in two shifts, adoption of semester system, emphasis for College accreditation, working extensively on teaching- learning- co-curricular and extra curricular activities- research and publication – use of ICT - organizing seminars and workshops – improving results of slow learners too, working on extension activities –and so on. This calls for managing things in a balanced manner .

Thus, over the years the job profiles have widened and deepened to large extent to evolve us from a 'tutor' to 'academician' and 'facilitator' , and that is the driving force which has made the traditional one dimensional job of teaching, multi dimensional and ever evolving .

I feel contented as now more and more of our bright students choose academics as their career, putting lot of inputs and commitment in very initial years to evolve them as 'academicians' and thereby contribute to mould the younger generation to make a strong foundation for their career.

Dr. Aishwarya R. Kulkarni

Associate Professor
Department of Accountancy
1993 till date

SPB of My Dreams

I entered SPB, Enthralled by the Opportunity;
My dream come true, to be part of knowledge industry.

I joined SPB in its inceptive years;
With passion for teaching and variety of spheres.

SPB has marched ahead with Study, Perform and Research;
A Desire for Growth and Yearning for EXCELLENCE.

I am blessed and privileged to be a SPBian;
Witness the blossom of Self and the Institution.

May the SPB attain new heights of Glory;
I am privileged to be part of the story.

I bow in gratitude for the work platform provided;
Silver jubilee year of SPB, a Milestone recorded.

Mr. Sunil H. Rajani

Associate Professor
Department of Commerce
1993 till date

Education is the key to success in life, and teachers make a lasting impact in the lives of their students. It is the supreme art of the teacher to awaken joy in creative expression and knowledge

Teaching is the only passion that I have in my life. As a teacher you make a massive difference in the lives of the young people -even when you don't realise it. You might not know how many kids have taken your words of wisdom to heart and will go on to repeat them to their own children, it may be more than what you think.

With this noble cause I got into this profession. My career started as a school teacher for class XII teaching Accounts and Commerce in the year 1989. Got an opportunity to teach computers to the

students and staff at Sir K, P. College of Commerce in the year 1990 to 1993. In year 1993 my mentor Principal Dr. G. J. Kapadia, who inspired me take up this noble profession, provided me an opportunity to share my knowledge with the youth of this college. I thank him for giving me such a bright career. In my career till date, I also happen to share the guidance of Principal Dr. D . G. Patel and Principal Dr. V. D. Niak.

I have always seen growth at my workplace. The institute has imbibed a number of good qualities in my life. I started teaching Business Administration at First Year B. Com and slowly progressed to teach Second and Third Year. Over the years, chalk and talk method of teaching has now been supported by projectors and presentations. There has been a dynamic shift in teaching-learning environment today. This era of virtual classroom poses a challenge for the ordinary teacher. Again, with the distraction of social media students today need to be motivated enough to attend classes. Herein lies the role of a teacher as facilitator.

I am proud to be associated with this institution that always supports the growth of teachers. The institution has always motivated each and every teacher to undertake research work and complete their Ph. D., always promoted participation at seminars, conferences and workshops

thereby fostering personal growth and development of faculty.

I am also proud that majority of the students of this college are holding reputed positions as businessmen, traders and chartered accountants. Many have followed our footsteps and chosen teaching as a profession.

Seeing students "make it" in their career and life and realize their dreams is the ultimate job satisfaction.

Dr. Savita Sondhi

Associate Professor and Head
Department of Statistics
1993 till date

It is rightly said by Nelson Mandela "Education is the most powerful weapon which you can use to change the world" and It is a privilege to be associated with this noble profession.

My journey and association with SPB College started from September 1993 when I joined this august College as lecturer in Statistics having M.Sc.(stats) and B.Ed.as qualification. I was fortunate to have worked with highly competitive, encouraging and focused Principals, who guided me from time to time making my task easier and putting me always on the learning curve. At this juncture I would like to pay my humble gratitude to Principal Dr. G. J. Kapadia , Dr. D. G. Patel and our present Principal Dr. V. D. Naik. It is heartening to state that our present

Principal Dr. V D Naik and previous Principal Dr. D G Patel were from Statistics faculty. They helped me in grooming my skills in the subject.

The environment of SPB was very conducive from the beginning which encouraged and motivated faculty members to simultaneously take up higher studies. Due to this I was able to complete my Ph.D. in Management in the year 2006. I bow in obeisance to Management of Sarvajanic Society, our Principal and staff for the same.

During my stint with SPB I had the opportunity of being associated with various committees like Cultural, NCC, Gymkhana and many others. It has been a privilege teaching in all the three years of curriculum. From more than a decade I have been taking M.Com in Statistics in our sister concern Sir K. P. Commerce College besides being associated with taking M. Phil. classes. The honour of being Nodal Officer for AISHE and being member of Board of Studies in Statistics keeps me updated with latest developments relevant to our field.

It was a new experience in guiding students for award of M. Phil, degree course. The entire experience of interacting with students from varied walks of life, seeing them grow and being successful in various fields is highly satisfying.

Great education is a combination of a supporting environment, dedicated teachers and students who take joy in learning and they form three pillars of our SPB College. There is little difference in people, but that little difference makes a big difference. The little difference is attitude. The big difference is whether it is positive or negative and it is this positivity in attitude which we try to inculcate in students besides teaching curriculum. This grooms our students to take the world head on when they go out as SPBians and in turn make us proud.

Dr. Ashish N. Pandya

Associate Professor and Head
 Department of Economics
 1993 till date

My Happy Days at SPB

In 1858, The British Government decided to rule over India directly and not through the East India Company. It started taking number of measures to accelerate educational and social development of India. One such measure was to establish three universities in India – Bombay University, Calcutta University and Madras University. After 1958 a number of colleges were established in Mumbai by the government, leading ones among them being the Wilson College for Arts and the Sydenham College of Commerce. In Gujarat, The Baroda State established the well known Baroda College and the British Government established the famous Gujarat College in Ahmedabad. However, Surat City with its rich cultural and educational environment, established Sarvajanic Education Society on September 30, 1912 which has completed one hundred years of its monumental work. The society established three prestigious institutions of higher education – Sir P. T.

College of Science, Sir K. P. College of Commerce and M. T. B. Arts College. Another such society, dedicated to establishing sound educational institutions, came into existence in Ahmedabad in 1925 – the Gujarat Law Society which established number of well known colleges.

The Sarvajanic Education Society established The Surat People's Bank English Medium College of Commerce in 1991. Thus our college completes 25 years of its eventful existence this year. This happens to be the second English medium college of commerce in the entire South Gujarat region; first being the Narmada College of Commerce established in 1985 by the Gujarat Narmada Fertilizers Company Limited at Bharuch.

The Sarvajanic Education Society took special care to appoint a very dedicated principal Dr. G. J. Kapadia who prepared the ground work to enable the nascent institution to make a mark in the field of commerce education. After his retirement our college was fortunate to have a very able principal Dr. D. G. Patel. Currently our college has a visionary educationist - Principal Dr. V. D. Naik. The College has attracted very bright boys and girls - some of whom have topped the list of honour at the final examination conducted by Veer Narmad South Gujarat University year after year. Over its eventful tenure of 25 years, it has produced more than six hundred chartered accountants and scores of outstanding managerial personnel which occupy very high positions in India's corporate sector as well as management schools.

Our college students every year shine in various games and cultural events. The college has been awarded B+ grade by The NAAC Committee in the year 2009 and 2014. Our college has also made a beginning for imparting postgraduate teaching in commerce by establishing the M. Com Degree Course centre of VNSGU since 2001.

Our college has thus carved out a niche position in the South Gujarat region as one of the outstanding colleges in the field of commerce education. With its excellent team of teachers under the able leadership of Principal Dr. V. D. Naik, it has a promise to achieve many more laurels in the next twenty five years.

Having applied for a post of lecturer in Economics advertised by the newly established SPB English Medium College of Commerce at Surat, it was a very happy and proud moment for me to have got selected in my first interview for job purely on the basis of merit. My selection gave me confidence in myself and also created at the same time a good feeling about the college, its founder principal Dr. G. J. Kapadia and Secretary of Sarvajanic Education Society Shri Kunjavihari C. Mehta and my employer Sarvajanic Education Society.

The liberal and democratic environment of Sarvajanic Education Society and its affiliated institutions contributed to the growth and development of my personality. I feel very proud when our teams perform very well in various competitions. Bright students - generally with distinction marks in the 12th examination take admission in our college and it is quite a challenging job to teach them to their satisfaction. Looking to my growing confidence and abilities, various responsibilities have been assigned to me by different principals and I have always performed them to their satisfaction.

It gives me a lot of pleasure and pride to work in an excellent college like ours which is awarded the status of "College with Potential for Excellence" and no wonder, our college gets good ranking by the NAAC committee.

In years to come, I would like to repay the debt that I owe to my college and Sarvajanic Education Society through good teaching and research work to the best of my abilities.

Mr. Hira A. Pandya

Associate Professor and Head
Department of English
1995 till date

A journey well begun.....

It is with a great sense of pride that I pen down these few words commemorating the 25 glorious years of SPB English Medium College of Commerce, Surat- one of the most dynamic institutes that professes quality education in the faculty of commerce to desirous learners in the city of Surat. Since its inception in 1991, our college has been constantly endeavouring to empower students to take on future challenges through emphasis on efficient teaching, discipline, diligence, inculcation of values and exposure to refinement. We at SPB bring together a fine blend of resources like impressive infrastructure, excellent academic inputs, enriching cultural and sports activities for personal growth and development of leadership qualities and team spirit. Our students bring along their dreams and we show

them the means to fulfill them – “Widening Horizons” is what we believe in.

Our journey has been a constant march- each step paving way for the other – a determined stride towards academic achievement and success culminating into the current status of college with potential for excellence 2016-2021.

As I walk down memory lane, I cannot help but reflect on the day I joined Surat People's Bank English Medium College of Commerce as a lecturer in English. Being the first English medium college centrally located in the city of Surat, SPB was then often referred to by the media as college of the neo-rich. During those formative years, maintaining discipline and decorum was a challenge for our founder Principal Dr. G. J. Kapadia and members of the staff. Aware of the fact that I was about to face notorious pranksters in the form of a class, I distinctly remember entering the F.Y.-III class with sweaty palms and an erratic heart-beat. However, my fear was uncalled-for. Dr. Kapadia's constant monitoring in the corridor gave a boost to my confidence level and that made my teaching experience enjoyable.

At this juncture I fondly remember Late Mrs. Janet Hiradhar- Vice Principal and Head of English Department then. SPB family will always remember her for her very impressive personality- her elegance, her poise, her smile.

Excellence in academics has been the forte of SPB right from its initial years. It was an SPBian that topped the university at graduate level in commerce way back in 1994- the first batch of the college to have appeared for university exams. Over the

years our students have secured commendable awards and have bagged many prizes. Under the able guidance of our principals Dr. G. J. Kapadia, Dr. D. G. Patel and Dr. V. D. Naik our college has soared great heights and will continue to do so in the future.

Along with academic initiatives and excellence therein, our college has also earned a name for participation and achievement in co-curricular and extra-curricular activities. Students have always been enthusiastic about taking part in sports and other cultural activities. Celebration of days has been a craze with college students and SPB students with their novel inputs have made the activity all the more eye catching.

Working at SPB has been a very enriching experience for me. I am indeed fortunate to be a member of an institute managed by Sarvajanic Education Society that not only fosters the growth of its students but gives equal impetus to the personal development of its faculty. Our college with its umpteen career possibilities and growth potential will surely achieve greater laurels in the coming years.

Ms. Farida R. Mandviwala

Assistant Professor
Department of Accountancy
2011 till date

My Journey

As a student

It is aptly said by Jawaharlal Nehru that, "A student's life is a golden life" and I have experienced this truth during my beautiful, golden five years of association with my college as a student. When I got admission in the college in the year 2002, I felt so lucky and proud that I got a seat in one of the most renowned, the first ever English medium college for commerce students in Surat. It was like a dream come true.

My college has not only given me excellent education but has also given me a platform to do well in extracurricular activities like sports. As a student I made my college proud by representing my college and university at different levels in the game of Table Tennis for 5 consecutive years. All my teachers added value to the excellent education imparted by the college by constantly emphasizing

on other issues like discipline, good manners and ethics. This helped me to become better human being. The soul of the SPB College is its dynamic teaching faculty. They not only have in-depth knowledge of their subjects, but also are talented, creative, understanding, supportive and encouraging at all times. I was indeed very lucky to study in such an atmosphere. My journey as a student was memorable and I am indeed fortunate to continue my beautiful journey in this institute as a member of the teaching faculty.

As a faculty member

As quoted by Late Honourable A.P.J. Abdul Kalam "Teaching is a very noble profession that shapes the character, calibre and future of an individual. If people remember me as a good teacher that will be the biggest honour for me. It's a great honor for me to be associated with this noble profession.

After successfully completing my degree I was in a dilemma - should I continue with my professional studies, or should I look for a job? My problem was solved when I got an opportunity to serve my beloved college, SPB. It was on a Monday - November 21, 2011 to be exact - when my journey into this noble profession of teaching began. I joined the institution as an Assistant Professor in Accountancy and Taxation in the Self finance B.Com Division with core subjects of Accounting, Indirect Taxes and Business Administration. Our college has been successfully running the Self financed B.Com programme with specialisation in Taxation since the academic year 2010-11. The programme has been well received by the

industry as it provides a practical knowledge of Tax procedures. At present myself and my colleague, Mr. Ravikumar I. Patel are leading the programme. I feel very proud to work as a faculty member and I am thoroughly enjoying it. I am associated with different committees of the college like Cultural, Gymkhana, Debate and Elocution and many others. I am serving as N.S.S. Programme Officer since last 4 years. Really, to be a part of this institute is like a dream come true.

My college is celebrating its Silver Jubilee and I am elated to be able to participate both as an alumni member and a faculty. I take this opportunity to express my warm gratitude to our Principal, Dr. V. D. Naik, Heads of all departments, and all the staff members for being supportive to me both as a student as well as a faculty member. I am also grateful to the visionary management for giving me an opportunity to serve this prestigious institute. Though my teachers have now become my colleagues, I shall always respect them as my teachers. I am so proud to say that our institution is 25 years old now and is celebrating its Silver Jubilee. May this great institute grow in leaps and bounds in the years to come, and may it become the best in the country!!!

CA Ravi I. Patel

Assistant Professor
Department of Accountancy
2011 till date

I am a person born with the love for academics. Teaching being in my blood, I always wanted to choose "Education" as a career. I am so much grateful to the college for fulfilling my dream. I joined the college as an Assistant Professor in the subject of Accountancy and Taxation at the age of 27 So it is only four and half years since I joined this college. During this short period, I have learnt a lot from this college more than my expectations.

Principal Dr. V. D. Naik, my Ph.D. guide Dr. Heena S. Oza and all the faculty members have always been an inspiration and have always shown the right path to me in this journey of education. Our Principal Dr. V. D. Naik has always encouraged and motivated me in my professional as well as personal life. My guide Dr. Heena Oza has always been there to formulate my research career. My colleague and the only senior faculty to me in self financed division, Ms Farida

Mandviwala, has always been there to enlighten the concept of "Teaching with Values". Being youngest in the staff, I have always attained a lot of love and care from all the remaining faculty members.

And if I talk about my students, I have no words. I still feel I am a collegian. I feel I am not on stage in class but still on the bench amongst them, I feel this is the only herb which will never attract "old age" to me. I teach them less and gain a lot of inputs which make me knowledgeable and young like them.

My core subjects are Direct and Indirect Taxes which are considered to be the most challenging subjects to be taught as one needs to be updated all the time with the prevailing tax system of the country. I am also serving the Post Graduate Department of the college since last four years. I am also serving as a visiting faculty in the Post graduate section of Sir K. P. College of Commerce, our sister

concern since last 5 years. I have been associated with various committees of college like Cultural committee, Magazine Committee, NSS Committee etc. I have developed a good communication system among the students and the college via social media. I have always put in my best efforts in the process of digitization of the college.

It is a matter of great honour to be a part of this eminent institution. Especially in my personal life when a student calls from a crowd, "Hello sir, I was your student at SPB", I feel gratified and proud.

As rightly said by Andy Rooney,

"Most of us end up with no more than five or six people who remember us. Teachers have thousands of people who remember them for the rest of their lives."

I am proud to be a teacher of this dignified institution.

Mr. Jayesh Desai

1993 - 2005

Remembering a decade

Gone By

Surat People's Bank English Medium College of Commerce is the first English medium college in south Gujarat and also one of the most sought-after by elite commerce students of Surat. To work for a decade in such a prestigious institution was an honor.

Down memory lane there are many instances which remind me of the golden days of SPB and also instances which one would like to forget. The greatest taking from my tenure with the college was the love and affection of students. Even today many of my past students recognize me instantly whenever and wherever we meet. It is a great feeling that even after having

changed my profession for so many years, students show love and respect. It is an honor that my tenure with SPB has given me a chance to carve a special place in the hearts of students.

During my early days of joining as staff member in the college there was lot of enthusiasm among all my colleagues as the entire staff actively participated in various activities and days being celebrated by college. All the staff members' birthdays were celebrated in the staff room with lot of fanfare. We all went out for a day's picnic to Umbhrat where we all enjoyed a lot. I cannot forget the time spent with the table tennis team of our staff. We used to play table tennis with lot of energy and enjoyment. I cannot forget few of staff members who encouraged me to complete my unfinished degree.

I still remember the ANTAKSHARI contest being organized by college where I acted as an anchor for the programme. The programme was a great success because of the active support of staff members and students. The programme was recorded live and I have treasured the same in my library. We all had a great time together.

Various days such as Suit and Saree day, Chocolate Day, Back to School day etc. were celebrated with lot of joy and happiness. We the staff members could see the spark and enthusiasm in the eyes of the students for celebration of such days.

Academically all the students were good at studies. This college can boast of producing majority of Chartered Accountants, Cost Accountants and Company Secretaries of Surat and also successful businessmen and women. I am happy to say that even though these students have achieved great laurels in their life, majority of them are very humble.

Overall my tenure with SPB College was a great learning experience. I wish the SPB college staff and students great success in time to come.

To sum up I would like to share the word of Guru Paramhansa Yoganandji:

**"Use every trial that comes to you
as an opportunity to improve yourself
and
Give to the world
the best you have
and
the best will come back to you"**

Dr. Purnima Mehta

Associate Professor
Department of Statistics
1994 - 2014

Congratulations to Principal, Staff and Students of SPB College, one of the well known academic institutions of Veer Narmad South Gujarat University. The completion of twenty five years is indeed a major milestone. The Contribution of the staff in making SPB a leading institution is remarkable. My best wishes and warm greeting to all on Silver Jubilee of the College.

Ms. Zena M. Chipia

Visiting Faculty
Department of Commerce

Journey from A Student to a Professor

It was in the year 2009, when I got admission in the college of my dreams - SPB college. When I was at school the name which came on everyone's mind when it came to college education was SPB college - "THE BEST" "NUMBER 1" All my friends wanted to study at SPB and I was the lucky one .

As a student, SPB college gave me the platform, encouraged me in every activity. I have learnt many things from different professors like to be punctual, to be attentive in class, to be multi talented in all activities, to participate in cultural activities, many more things. In addition to that the college provided me a platform to study, perform and blossom. My personality developed because of SPB and even as I was studying, I always dreamt of working as a lecturer at SPB. Having completed my M. Com. degree course, I got an opportunity to work with my professors at my alma mater.

It was like next to impossible to be a part of SPB, but with God's grace I was appointed as a lecturer and one of my dreams came true. However, my place has changed from sports room to staff room, from sitting on a bench to addressing students from the stage. The delight in

securing the job was great but the real story is in learning to teach which unfolds as you enter the classroom as a lecturer. Transition from student to teacher is a significant one and the support of the principal and staff helped in easing that transition into the college and into the teaching profession.

All professors were always there with me, their teaching experience and other experiences too make me strong. I always tried to grasp many things from them, and have learnt many things. Thanks everyone for boosting me in all activities. Time flies and I have completed 3 years of teaching at SPB. The most memorable part of my life i.e from 2009 to 2017, is my journey from a student to a professor. Here relationship has changed from student - teacher to colleagues, but for me they were, they are and they will remain my gurus forever.

On this Silver Jubilee occasion, I wish SPB prospers more and more and hope it celebrates Golden Jubilee, Platinum Jubilee in years to come. I am very lucky to be a part of SPB college.

Success comes to those who aim for it and at SPB we always strive for the Best.

Mv Days at SPB Campus

College days are one of the preeminent days of our youth and for me and my batch mates it was all the more exciting as we were going to be the first batch of a new college which was the first English Medium B. Com College in the city of Surat. We were all very charged up for the same and we really enjoyed each day being at the SPB Campus and even today when we recall those days it gives us a nostalgic feeling and each one of us vouch that we would love to re-live those days once again.

In the initial days as the infrastructure was still not in place we used to study in the law college building and we had a little bit of inconvenience but we enjoyed each moment at the campus.

Dr. Jimmy M. Kapadia

Professor & Director
S. R. Luthra Institute of
Management

We later had the benefit of studying in the new building and we have our memories of sitting on the staircase of the building, in the parking lot or going for some tea at a stall just opposite the college and enjoying each moment at the SPB campus. We had our share of mischief at the campus and some faculties do remember us as one of the most mischievous batches. I still remember the various Days being celebrated and also the buzz created at the time of General Secretary Elections. We were blessed to have really good faculties whom we fondly remember for their crucial role in what we have achieved today in life. The team of faculties was led by a very strict and disciplined Principal Dr G. J. Kapadia, a person who believed in demonstrative behaviour. At this juncture I would like to remember one of our

beloved faculties and also our Vice Principal - Late Mrs. Janet Hiradhar mam who used to teach Communication Skills to us. Due to her nature she was very approachable and near to the students. The non-teaching staff was very cordial and helpful to all the students. The library in the initial phase was run in the staff quarters as a make shift arrangement and it was our Padma Madam who was there in the library to help us.

I am very proud to be alumni of SPB English Medium College of Commerce and am more happy and excited as my college is celebrating its Silver Jubilee. I wish that this institute achieves many mile stones in the coming years.

Dr. Abhilasha V. Agarwal

Principal

Vanita Vishram Women's College
of Commerce

I am pleased to learn that SPB English Medium College of Commerce managed by Sarvajanic Education Society has completed 25 years of its establishment. I take the opportunity to congratulate the college family for their march towards success and excellence.

Being a proud alumna of the college, I am indebted to the college for its contribution towards shaping my career and personality. The curricular and co-curricular activities carried out by the college have always motivated the students to bring out the best within them.

I pray for the future growth and prosperity of the college and wish the management, staff and students to scale new heights of success in the years to come.

CA Amish Sanghavi

Alumni of the college
Batch 1991-1994

Life at SPB

Myself CA Amish Ashvinbhai Sanghavi, a practicing Chartered Accountant since last 20 years....

I have completed my 12th in Gujarati Medium and thereafter shifted to English Medium. This was the year in which SPB was born. SPB and I started our journey together in the V. T. Choksi Law College building.

Though we belonged to Gujarati Medium, we have never felt for a single day that we were outsiders in English medium college.

To study in SPB was always a dream for all the students. SPB had set the highest standards for study. The college gave us ample exposure to the English language.

I remember how we had to change the class rooms for different lectures and

tutorials. First lecture in one class and the second in the other one. All the lectures were throughout in English and as far as Late Janet Madam and Martina Madam were concerned, the first few lectures were mind boggling. For the first year I found it difficult to converse in English with fellow class mates and with the professors. I could not even complete my notes in the lectures. I had to borrow notes from others and had to complete later. Being one among the top 10 students in the city in 12th examinations, I was able to build up the confidence and the credit goes to the professors and the atmosphere provided by the college. Without their support it could not have been possible. Even my fellow class mates had never let me down. From the second year onwards I was amongst the toppers of the college.

It was not that we only studied in the college. We also bunked lectures at times. We went out with friends, played cricket for hours together and didn't attend the lectures for the whole day. I also rushed for the last moment attendance pressure so that I could appear in the exams. We enjoyed various days in the college whether it was rose day or suit and saree day or musical evening. College life was really full of Masti. But I had to be extra cautious because my father was an honorary visiting lecturer at SPB.

When we were in TY B.Com, the new building of SPB was ready and we had the pleasure to sit in the new classrooms. Now we had our own college building and we were not sitting in the borrowed classrooms but this happiness lasted for a while and before I could taste this joy and happiness, It was time to leave and move ahead.

Many challenges awaited me when I left college and entered the real world. The strong foundation of my study at SPB helped me overcome all my weaknesses and I was able to turn all the challenges into opportunities.

I could open the doors for my younger brothers who were also SPBians and for other younger ones from the locality where I was residing.. After I completed my CA, I even joined SPB for a couple of years as visiting lecturer in M.Com. degree course.

A boy who had just finished his schooling in Gujarati Medium and taken admission in an English Medium College, frightened to even communicate in English with his fellow class mates and professors, placed himself amongst the rankers of the same college and thereafter became an honorary visiting lecturer in the same college. Such a transformation can only be possible at SPB.

I am proud to be an SPBian and will always owe in my life to my college, my professors and my fellow classmates who gave me warmth, homeliness and support.

CA Raviraghav Chhawchharia

Alumni of the college
Batch 2001-2004

Its 16 years down the line, when I first stepped into this dream college of our city, to find my name at the top of the shortlisted candidates for admission, being the topper in 12th Commerce, to this coveted college. What an exciting and proud moment!

SPB College!! A journey full of hope and filled with the colours of life. For every youth, his college days are the most memorable ones and mine was not an exception. The faculties of this great institution have been really keen to deliver their best to the students. I found them not just expert in their subjects but also able to implant curiosity and interest in the students to learn and grow. They all were a perfect blend of kindness and discipline. The three years of my life spent in this college, whether in the classroom or in the campus, with the faculties or with friends, every moment was really amazing, to be

cherished forever!

I remember the variety of days which we celebrated in the campus; the Group day, Suit and Saree day, Twins day, Rose day, Signature day, Kite flying day, Balloon day, and the list goes on. I never missed any of those days, even though I was pursuing CA, CS alongwith the college. Our SPB College environment made us feel fresh and rejuvenated after the hectic studies of professional courses. Even the faculties were supportive and helped us to manage our studies and other co-curricular activities.

After completing my B. Com. with distinction from SPB College and Chartered Accountancy from ICAI, I decided to be in continuous touch with my college and that's why I accepted Principal Dr. V.D.Naik's offer and grabbed the opportunity of teaching students at the M.Com. degree course. I became a

visiting faculty at my very own college. What an exciting and proud moment it was for me!

Even today when I pass by my college, it really makes me nostalgic. How enjoyable those days were!!

Even today, our SPB College has maintained its highest standard and is a benchmark in commerce education in the city. I am one of those lucky souls who got the opportunity to learn in this college and be an alumnus of this great college, this wonderful college.

I congratulate the whole team of SPB college, all its alumni, past and present professors and trustees on successful completion of 25 glorious years and I extend my heartfelt best wishes for all future endeavors. May the college carry on spreading the fragrance of Knowledge!!

CA Kalpit Khemka

Alumni of the college
Batch 2002-2005

Well, college days are always special for everyone. But mine were extra-special. It was 3 years (2002-2005) action-packed full of learning, enjoyment, achievements and of course, memories.

Like every Surti, it's always a sense of pride to get admission in Surat's No.1 English Medium commerce college.. Our professors were so friendly, encouraging and caring that studies was never a burden.. I got all support from them while pursuing professional courses

CA and CS along with B.Com.

I am so glad to participate and win several awards in various inter-college competitions representing my college.

After 10 years of passing out, it was a wonderful experience to teach M.Com. students in the same college, sharing the staff-room with all my ideal teachers..

In the same year, I was elected as Chairman of our college's Alumni Association..

Moreover, I am pursuing Ph.D. in this very college.

So, I can say it with pride that I am associated with this college as a student, faculty, Chairman of Alumni Association and again as a doctoral student.

On completion of 25 years, I wish SPB College "HEARTY CONGRATS" and lots of success and many more happy students like me.

CA Aditya Chhawchharia

Alumni of the college
Batch 2003-2006

At the Onset, I would like to congratulate my college for completing Glorious 25 Years. I would like to mention that having been a part of an institute which has been at the forefront of spreading knowledge and wisdom maintaining a very high standard of education and commitment is in itself a great honour for me. Our college, which known to everyone as, the most preferred choice for a commerce aspirant, has from its Inception not only maintained high dignity but has also set high benchmarks in the fields of education, arts, culture and sports with its students picking up a number of awards at National and State Levels. These feet could not have been achieved without the untiring efforts of our most loved professors under the encouraging leadership of Principal Sir and guidance by Sarvajanic Education Trust.

Going down memory lane, I feel nostalgic about my journey of 3 years as a

student from July 2003 to May 2006. Undoubtedly, the Golden Years of our education life has been spent in the college. As a 12th Passout getting admission into the most prestigious college of the city was very exciting for me. The college for me (like a lot of other people) was a place that I could start over with new friends and something that was all mine. The friends I made at college have a deep place in my heart. The memories I built here are unforgettable and the education I got here is unparalleled.

I love my college experience because it was a part of my life that I can't explain to anyone. It was a time for growth. It was not always easy but worth finding out on my own. It was the time we wielded base for our life. The expert knowledge of our professors has been the soul of the whole experience at the college. All our professors taught us with utmost love and care. They shaped the talent lying within us to meaningful purposes. "Encouragement" is one thing which is in unlimited supply from our professors in our college. I do remember whenever any student wanted help in anything our professors were always there to help them out. This very feeling that someone is there to help you out made us feel we were in safe hands and encouraged us to think out of the Box.

Our college experience had been a perfect blend of learning, growing and enjoying. Our college was active enough to recognise the importance of recreation along with studies and so we had many "Events" and "Days" organised throughout our college life. Such events gave us an opportunity to build healthy bonds with our fellow colleagues and taught us

"Teamwork" without which it is impossible to succeed in today's world. None of us have forgotten those fulfilled "Days" we enjoyed in college. I really cherish those memories.

I would like to share my thoughts with the present students and upcoming aspirants. Formative years at college are very important for the growth and development of a student. So Keep your aim high and involve yourself honestly in achieving what you aim at. Make a strong base for yourself- a strong foundation is the basis for a bright and fruitful career ahead.

I feel short of words for expressing my gratitude for a college which deserves much more. I wish my alma mater all success in years to come.

Mr. Akash Jain

General Secretary
1991-1992

"College Life is that part of your life that you are going to relive in your memories till you breathe"

I thank my Alma Mater SPB for the wealth of knowledge and experience I gained here. Fame, wealth, youth, good looks all fade and wane with time. But knowledge and learning cannot be taken away from you ever. My journey as a student and as the first GS has been immensely enriching. I want to thank the

whole staff and fellow mates for their immense help and cooperation. I want to especially express my heartfelt gratitude towards Kapadia Sir and Janet Mam for their support and guidance. It was a great privilege for me to be honoured with the status of a G.S of my college in the very first year. SPB college was in its initial stage at that time. We 120 students were the first ones to enter into the premises of this college - no seniors, and all the staff

was also new except Kapadia sir .When I had served as the GS, at that time the college was in its budding state but now it has grown into a full fledged tree .We didn't have our own classes at that time. We used to sit in the law college rooms for our lectures. But the college has come a long way since then. It has achieved great name and I feel proud that I have graduated from SPB.

Mr. Rajul Patel
General Secretary
1994-1995

Those years at SPB

At the outset I congratulate my college on its completion of 25 years. I have several memories that I have cherished all these years. I would like to share them. I got an opportunity to study in this esteemed college and was elected as a general secretary during academic year 1994-95. I had good relations with my teachers, office staff, and my fellow beings also. During my graduate years I was fortunate enough to render my best possible services to my college. During

my tenure as G.S. the college was in its growth stage. With the joint effort of the Principal, students and staff members we were able to provide more facilities in the college premises. These include installing of water purifier and water coolers, buying display boards, book racks etc. A blood donation camp was also organised in the campus which recorded the collection of a very high number of blood bottles.

Under the kind guidance of our principal Dr. G. J. Kapadia and Vice Principal Late Mrs. Janet Hiradhar, we channelized our

efforts and were successful in upgrading the college to greater heights.

The college gave me a lot of love and respect and inculcated in me many qualities due to which I am a well settled businessman in Singapore.

I thank my Principal, my teachers who were my mentors and counselors, fellow beings who played a prominent role in helping me make my career.

I wish SPB college a very prosperous and bright future ahead.

Ms. Hiral Panwala Khajanchi

General Secretary
2003-2004

To get into a good college means to get good education and become successful in career, right? Well, to me, getting into a good college means making good friends, meeting good teachers and creating good memories that will last forever.

When I had joined SPB College, it was the only English Medium commerce college with an independent management and infrastructure. The campus had an aromatic air of youthfulness and uncanny resemblance to the college-cult as found in Bollywood movies. It was called "the most happening college of Surat" and "the ultimate place to be, was SPB". We did not have exposure to the social media then but the staircases, compound walls and the paadis acted as social networking platforms for us (Boss

that was 15 years back!). The aisle to the main building with garden on both the sides acted as ramp for the fetching girls and boys who all had impeccable taste in latest fashion. The campus was the class-bunkers' paradise. But, I have to also say that the classrooms were the centers of knowledge where the subjects were taught by the most efficient and astute faculties. The best part of my entire three years of the college was the cool guru-shishya bonding and the love and affection I got from my professors at SPB. I participated in several competitions, youth festivals and mock parliament events under the guidance and direction of our savvy professors. Besides, the election of GS in SPB has always been one big gala affair. These elections were spiteful but not deadly for sure. I had filed

for candidature as GS in my third year of college and for the very first time in the history of the college I became the first female GS. Well, it was a lot of hard work and the bit of destiny. I wish more female GS(s) to get elected in times to come.

SPB has now completed 25 years of its existence and it is the moment of pride for all of us. It is said that "Twenty-five" is when things start to change and begin to turn-over. This is very true because this college has produced the best of CAs, businessmen and MBAs that we have in our city and now it will produce even more and better than the best. SPB has been doing great work and I am sure that with the best team of faculties and management it will continue to shine.

SPB Truly ROCK S !!

Study
Perform **Blossom**

In completion of glorious 25 years of our college, it is a matter of pride and honour to share my experiences as a G.S. of the college.

SPB was my first step on the ladder of success. It helped me to develop my inner personality and my leadership qualities. It is only because of the various

Mr. Jay Shah
General Secretary
2009-2010

opportunities presented by SPB that I became confident to face the future. It helped me a lot in my further studies. Under my tenureship as a G.S. of the college, we did various activities like Blood Donation Camps, Elocution competitions, various days celebration etc. But all these were possible because of the co-operation of the principal, lecturers, non-teaching staff and all SPBians. I am very thankful for their support. I learned how team work can

make your task easy. I cherish these moments and whenever I look back I feel nostalgic. The College gave me opportunity to learn different skills to deal with the competitive world. I have enjoyed my three years in this prestigious college and it was a great learning experience for me.

I am very thankful to SPB for helping me achieve my dreams and making me what I am.

Ms. Roma Gandhi

General Secretary

2010-2011

***SPB English Medium College:
Silver Jubilee Year...Wow!!! 25 years
of endless strive towards
EXCELLENCE is finally here!***

I am proud to introduce myself as Roma Gandhi , a student of our prestigious college from 2010-2013 batch. I had the privilege of serving as the General Secretary of the College during 2010-11. At the onset I would like to extend my hearty Congratulations and Best Wishes to my Alma Mater on its Silver Jubilee year. I grab this chance to pen my thoughts and experiences of the wonderful years I spent in this vibrant campus.

During my tenure as General Secretary , initially I was a little skeptical if I would be able to do justice to the post and also the responsibilities as GS of the college. But with the encouragement and support of our Principal, teachers and committee members and my fellow

students, I was able to fulfill the expectations and had a successful tenure and am happy that I could contribute my bit. We all worked and contributed as a team keeping the best interest of college forward and that's what I feel was the best learning experience worth a treasure.

We are highly indebted and thankful to Heena Oza Mam, Sabita Mam and Ashok Saha Sir for guiding and encouraging us to participate actively in the College cultural and Sports activities. I feel proud to recall that our College has won the maximum number of prizes in Youth festivals, Inter collegiate Sports Competition during the years when I was a student here.

Our college encourages the student community to be part of extra-curricular activities like N.S.S. and N.C.C. Ashish Pandya Sir, who heads the N.S.S. activities has always been a great source of inspiration and has encouraged the students to be part of the activities in large numbers. . I had a great experience with SPB College - all those awesome three years spent as a student. I learnt lots of things from my Principal, professors and all the supporting staff. SPB College gave us a platform and lots of opportunity for self development and growth as responsible citizens and good human beings. Last but not the least I would like to thank my teachers and once again wish my lovely College all the very best for the future... may you always hold up high above all. SPB we love you .

I would like to thank by saying this.....

*For all those times you stood by me
For all the truth that you made me see*

*For all the joy you brought to my life
For all the wrong that you made right
For every dream you made come true
I'll be forever thankful
You're the one who held me up
Never let me fall
You're the one who saw me through,
through it all
You gave me strength when I was weak
You were my voice when I couldn't speak
You were my eyes when I couldn't see
You saw the best there was in me
Lifted me up when I couldn't reach
You gave me faith 'coz you believed
I'm everything I am its coz of you
You gave me wings and made me fly
You touched my hand I could touch the sky
Whenever I lost my faith, you gave it back to me
You said no star was out of reach
You stood by me and I stood tall
I had your blessing I had it all
I'm grateful for each day you gave me
Maybe I don't know that much
But I know this is true
I am blessed because I was loved by you....*

Ms. Apurva Bhagvagar

General Secretary

2013-2014

"Experience is the best teacher."
We have learnt this from the time we have learnt walking. Yes, to be in the city's most qualified place and dream college was my luck. This luck carried a silver lining cloud which made me the genuine and sincere 22nd General Secretary of SPB English Medium College of Commerce.

I express my sincere thanks to all faculty members and staff for grooming me into a good human being.

*This is the place
Where my tiny finger was being held.
By these legends.....
I got lessons-
burnt off my wrongs
And shaped myself well.
Proud to be SPBian*

Ms. Aashi Bhavnagari

General Secretary
2016-2017

People say that SPB English Medium College of Commerce is an institution providing opportunities for excellence and being an integral part of this institution means a lot to me especially when it celebrates its Silver Jubilee.

The moment I first stepped in the college I was uncertain about myself. The pressure of my dreams and expectations started to crumble my self confidence. But as I met other students and made friends, I realized that I was strong and

capable of achieving my goals. My parents always taught me to face challenges and move ahead. No matter how difficult the path I tread on, I was always encouraged to make persistent efforts and prove myself a winner.

When I became the General Secretary of the College, more than a few eyebrows were raised regarding my abilities to perform my duties. To be frank that worried me a little but I was no stranger to hard work and selflessness and with the support from my teachers,

parents and friends I took up the challenge and gave my best.

My training as N.S.S. volunteer instilled in me the spirit of service and groomed my personality as a dedicated student leader. The N.S.S. slogan "Not me but YOU" boosted me up to serve my fellow beings. I promise to serve my college and nation in years to come.

I wish the college GRAND SUCCESS in all its endeavours.

About 'College with Potential for Excellence'

CPE Award by UGC

The College is awarded with status of 'College with Potential for Excellence' (CPE) by University Grants Commission for the duration of five years starting from the year 2016 to 2021 and a grant of Rs. 1 crore is sanctioned. This is a recognition of College's outstanding achievements in academic, co-curricular, sports, cultural, extension and research activities. The grant shall enable the College to further strengthen physical, human and research infrastructure to achieve the potential for excellence. The following paragraphs give a brief detail of the same.

Background of Scheme of 'The College with Potential for Excellence' by UGC

University Grants Commission (UGC) introduced a Scheme called "Universities with Potential for Excellence" (CPE) to encourage selected universities to reach world-class standards in their chosen domain(s) by providing additional funds to them under the Scheme.

It was realized that apart from universities, there were also a number of colleges in the country where teaching and research were of high quality. These colleges have achieved

good standards in teaching and research by harnessing human and physical resources in innovative ways. Many of these colleges have potential for academic excellence. Recognizing the need to pay special attention to such colleges, the UGC introduced a Scheme for colleges, corresponding to the one for the universities, known as "Colleges with Potential for Excellence" (CPE).

The Scheme identifies colleges which have attained high standards in academic, sports, cultural research and extension activities and hold promise of excellence. A college selected under the CPE Scheme is provided additional funds to improve and strengthen its infrastructure that would help it in attaining further higher academic standards.

Excellence with Reference to CPE

Excellence refers to a state of exceptional or outstanding achievement in one's field of activity. Excellence of an academic institution involves reaching outstanding levels of performance in teaching, sports, cultural, research and related academic pursuits and attaining peerless position in the areas offered for study and research. Excellence is achieved in stages through a process of continuous improvement in content

and quality of the pursuits. A dedicated academic community and adequate infrastructural facilities are essential ingredients of excellence. UGC realized that institutions with such potential need to be recognized and nurtured for the realization of their full potential.

The Selection Procedure by UGC :

For the awarding of CPE status, the College has undergone the following stringent steps for evaluation before being selected :

- The VNSGU invited application from Colleges of VNSGU to apply under the scheme.
- Our College was shortlisted by VNSGU and application forwarded to UGC for further procedure
- The standing Committee of UGC of 9 members, consisting of UGC Chairman Representative, a Vice Chancellor, 5 experts and UGC officer scrutinized all the proposal received by various Colleges and prepared a state wise list of applicant colleges as per their ranks based on score as per the criteria developed by standing committee.
- The colleges short listed by standing committee were called for Inter-face meeting with UGC Expert Committee. The Committee examined in-depth the proposal of the college in a detailed discussion

on it with Principal Dr. V. D. Naik and Dr. H. S. Oza. In addition to other things, the Committee was to verify the strengths of the college.

- The recommendations of the Expert Committee were finalized by the Standing Committee and submitted for approval of the Commission.
- The Commission awarded CPE status to the College with a grant of ₹ 1 crore.

CPE Grant Approved by UGC

- The grant consists of 60 lakhs non-recurring grant and Rs. 40 lakhs recurring grant. The non recurring grant shall be utilized for

strengthening physical and human infrastructure by investments in language lab, teaching aids, library automation, computers, books and journals, internet connectivity, up-gradation of seminar hall and skill development programs.

- The recurring grant of ₹ 40 lakhs is meant for recurring expenditure on softwares, skill development, internet connectivity, teachers' skill development and sports activities.

Expected outcomes of the Scheme

The college is expected to achieve the following objectives:

- To strengthen the academic and physical infrastructure for achieving excellence in teaching,

research and outreach programmes

- To enhance the quality of learning and teaching process
- To promote academic programmes relevant to the socio-economic needs of the nation in general and the region in particular.
- To improve undergraduate education in colleges by interfacing of the postgraduate programmes.
- To promote networking with university departments, research centres throughout the country.
- To promote skill oriented programmes.

To conclude, we are looking forward to strengthen our infrastructure further and thereby attain our potential for excellence.

Research Activities by the College at a Glance

The College is recognized as a Centre for M.Phil. and Ph.D. research work. Our college has a Research Committee with the object to encourage and support research activities of faculties, research scholars and students.

The research committee comprises of Principal Dr. V. D. Naik, Dr P. K. Chakrabarty, Dr. P. P. Pradhan, Dr. H. S. Oza and Dr. A. N. Pandya.

Though under graduate colleges are having substantial load of teaching and evaluation, along with co-curricular and extra-curricular activities, over the years the faculties have made outstanding progress in this field, which include:

A. Research Degree acquired by faculties

- Out of 13 permanent faculties of the College, 8 faculties have been awarded Ph.D. after joining and rest 5 faculties are pursuing it. Over next 2 years this will make 100% of our faculties having Doctorate degree.

B. Continued Research Activities by way of -

- Guiding of M.Phil./ Ph.D. research scholars: 8 faculties are M.Phil. guides and 6 of them are Ph.D. guides.
- Publication of Research papers: The research and publication activities of college teachers have gained momentum over the years as can be seen by details given in separate table. In all 194 papers have been published: majority being in last 7 years.
- Presentation of Research papers at Conferences: In all 220 papers have been presented in last 7 years.
- Undertaking of Minor and Major Research Projects: 2 minor projects are completed and one major research projects is being carried out.

The following table gives the Research Activities of College at a Glance :

Sr. No.	Particulars	Numbers
1.	Ph.D. degree acquired by college faculties	08
2.	Ph. D. pursued by college faculties	05
3.	M. Phil. Degree acquired by college faculties	03
4.	College faculties recognized as M.Phil./ Ph.D. guides	08
5.	Research Papers presented by teaching faculties in state/National /international conferences	
	Before - 2004	04
	2004-2009	66
	2009- 2014	128
	After 2014 -16	22
	Total	220
4.	Research papers published by Teaching faculties	
	Before 2004	5
	2004-2009	45
	2009- 2014	112
	After 2014 -16	32

Report of Academic Achievements

Academic achievement occupies a very important place in education as well as learning process. It has become an Index of student's future in this highly competitive world. It has been one of the most important goals of the education process. It is also a major goal, which every individual is expected to perform in all cultures. Academic achievements is a key mechanism through which youth learn about their talent, abilities and competencies which are an important part of developing career aspiration. One of the most important outcomes of any educational set up is the achievement of the students.

In educational institutions, success is measured by academic performance or how well a student meets the standard set by the educational institution. Much care is taken about the academic performance because it is believed that good academic result will provide more career choice. Achievement is the end product of all "educational endeavours".

Our students have in the forefront of academic performance, university and professional examinations. The lists of academic luminaries are as under.

List of medals won at University Examination

Year	Name	Prize/Medals
1993-94	KAPADIA JIMMY M.	1) ASHWIN MEHTA PRIZE
1995-96	SOLANKI GAURANG B.	1) ASHWIN MEHTA PRIZE 2) HEMABEN S. DESAI PRIZE 3) NAVNIRMAN SAMITI NAVSARI & DR. RAMABEN KAPADIA PRIZE
1997-98	CHRISTIE AMIS.	1) ASHWIN MEHTA PRIZE 2) CHANDULAL SOPARIWALA PRIZE 3) HEMABEN S. DESAI PRIZE 4) BHUTPURVA VIDHYARTHIO PRERIT PRIN A.C. CHOKSI MEDAL 5) MANGALIYA MEDAL

REPORT OF DEBATE AND ELOCUTION ACTIVITIES

Debate and elocution committee has remained active through the years to direct students to perform and lead them to blossom in the field of expression on current important issues, put forth logical and acceptable arguments, develop communication skills, instil and develop public speaking skills and to improve presentation and elocution skills. To provide platform for creative talent among students, various Quiz, Case Study, Group Discussions, Debate, Essay Writing and Elocution competitions are regularly organized in the college. The committee motivates students to represent SPB College in various competitions.

Glimpses of students' achievements are enumerated below:

Over the years till 2005-2006

- College students bagged the shield in Debate and Elocution competition held by Indian Oil Corporation in 1994-95 with Ms. Rinkoo Gala and Ms. Sejal Inamdar bagging the shield and prizes.
- Ms. Vinita Pandey bagged prize in Times Public Speaking Contest held in 1999.
- Team of students bagged prizes at 5th National Youth Parliament Competition held at VNSGU-1998-99 and 2001-02. Team of students included Ms. Archana Singh (1st Rank), Ms. Parul Gupta and Ms. Devanshi Shah (2nd rank), Ms. Shaina Taneja (4th rank), Rohan Panwala (5th rank) and Ms. Minal Kothari (6th rank).

Since 2006-07

With the broadening of horizon for participation, as the organizing of number of debate and elocution events and activities increased, the participation of students increased. Glimpses of students' achievements are enumerated below:

2006-07

- Ms. Shweta Dwivedi bagged First prize in Essay Writing competition organized by Kanjibhai Desai Samaj Shikshan Bhavan Trust in October 2007.
- Ms. Shweta Dwivedi also bagged 1st rank in Essay Writing competition organized by Surat Municipal Corporation.

Report of Cultural and Social Activities

Institutions of higher education can play very important role in helping students to understand their potential and facilitate to realize them. The extra-curricular activities in form of cultural and social activities are vital activities in this regard.

Realizing the necessity to cater to the needs of students studying through English medium, the College was established in 1991. The cut off marks used to be not as high as now and it was a general notion that the students who have studied through English medium are more inclined to western culture.

Initial Years (1991-1996)

The first batch of graduates was out from College in the year 1994. During those years the College's cultural and social activities were mainly focused on celebrating various days like Rose day, Chocolate Day, Group Day, Twins day and so on. There used to be lot of importance attached to Rose day celebration. It used to be celebrated in classrooms under students' union activities attracting a lot of attention on making of Rose King and Rose Queen.

Second Phase (1997-2004)

The very first time College could break the barrier and participate in cultural activities in University youth festival was in the year 1997-98. In the very maiden year of participation, the College could show its presence as we got a number of prizes and were number one in list of total number of prizes. The participation of students was all the more easier as it was held in Surat.

However for next 5 years or so, the participation was mainly in solo events as the youth festival used to be held outside Surat. The students were facilitated to participate in solo events and many prizes have been won by the students (details

given in list given separately).

Current Phase (2005 onwards)

With the changing time, the trend of advanced learners in Commerce faculty pursuing professional courses like CA, CMA, CS along with B Com course has increased significantly and in response to that the University changed the policy of admission on merit basis irrespective of medium through which schooling of students has been made. This has resulted into about 55% to 60% of students who have done schooling through Gujarati medium being admitted in College. This has significantly changed the socio-economic profile of students studying in our College compared to initial years. Also, the University started hosting the Youth festival at University campus in Surat.

Exploiting this opportunity, the College started participating in all solo and group events at University Youth festival. Winning various prizes and the environment of encouraging students to participate in these activities has now built up the culture where students feel proud to take part in various cultural activities.

SPB annual function as we call 'SPB Fest' has now become the most awaited and the most interesting event of the College. Performance of Group dance, Garba, One Act Play prize distribution to students having achievement in academics, sports, cultural and debate and elocution at inter college level and higher level are parts of the function. The Dance competition is very important and interesting segment for most of the students. Round of auditions and mentoring by teachers of committee, in an organized manner has made the standard of performance praiseworthy.

There are many instances where students have participated in activities like one act play, singing, group dance for the

very first time and have won prizes. Taking part in cultural activities, practicing in organized manner, the performance at maga level and exposure and winning and at times losing have helped the students to mould their personalities positively. There are few Alumni who have chosen these activities as their career. There are many alumni who still pursue their passion. And above all, all alumni who have participated in cultural activities cherish the golden years and miss the fun and freedom of College life.

As faculties we have been fortunate to get empowerment from principal Dr. V. D. Naik, who has been very encouraging and supportive for all these years. We are equally grateful to former Principal Dr. D. G. Patel sir to introduce us to this very interesting as well as challenging work of chairing this committee. This has been done with full support of my teammates in the committee and active participation by students and support of artists who helped us from time to time.

The journey with highlights of various activities and various achievements is given in a separate list and also by way of photo journey.

Cultural and Social activities – Highlights of Achievements

1997-98			VNSGU Youth Festival	Other competitions

Report of Extension Activities

Introduction

National Service Scheme, popularly known as N.S.S. is an initiative of the Ministry of Youth Affairs and Sports which encourages school and college students to interact and know the community around them, understand their problems and make an effort towards their solution. It is an extension to the higher education system to inculcate spirit of voluntary service among the students through sustained community interactions that bring the academic institution closer to the society.

N.S.S. is a voluntary scheme. Ever since Independence there has been desirability of involving students in Nation's Service. The First Education Commission (1950) recommended the introduction of national service to students on a voluntary basis. In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, our father of the nation. The central theme which he tried to impress upon the student audience time and again was that they should always keep before them, their social responsibility.

Government of India and State Government with joint venture seek youth to help channelize their energies and capabilities towards nation building activities.

National Service Scheme has two types of programmes – Regular Activities and Special Camping Programmes. All students enrolled as N.S.S. Volunteers

are expected to work in the scheme for a period of two years and also participate in Special Camping Programmes of 7 days duration. Our college has 2 units of N.S.S. Every year 100 students are enrolled per unit.

REGULAR ACTIVITIES UNDER NSS

UNIT OF THE COLLEGE:

Our college is actively engaged in organizing various N.S.S. activities for the welfare of the society. The N.S.S. volunteers also show keen interest in participating in various programs organized by N.S.S. unit. N.S.S. volunteers undertake various activities in campus and adopted villages for community service. Duration of these service is 120 hours ie. 20 hours for orientation of N.S.S. volunteers, 30 hours for campus work and 70 hours for community service. The following are the major regular activities undertaken by the N.S.S. unit of the college:

- N.S.S Orientation Programme – Every year Orientation Programme for N.S.S. students is organized in the college.
- Blood Donation Camp – Every year N.S.S. unit organises Blood Donation Camp twice in a year in association with Surat Rakhtdan Kendra and has collected more than 5000 units till date.
- Thalassemia Check up Camp has been organised since last 3 years for all the students of the college and more than 1500 blood sample have been tested.
- Aids Awareness Rally - Every year on

1st December Aids Awareness programmes are organised through rally and poster painting. Aids Awareness Rally is organised from the College to ONGC cross roads.

- Lecture on Breast Feeding Awareness - Breast Feeding Awareness lecture organized for the girls of F.Y.B.Com where the students and teachers of P.T. Mahila College guided the students about the importance of Breast Feeding.
- Patriotic Song Competition - Every year N.S.S. Unit and Cultural Committee of the college jointly organises "Patriotic Song Competition" as a tribute to our nation and freedom fighters.
- International Yoga Day - International Yoga Day is celebrated on 21st June every year.
- Poster Drawing Competition - Poster Drawing Competition on different issues like Aids Awareness, Save Environment, Swachhta Abhiyan, Save Girl Child is organised every year.
- N.S.S. Day Celebration - The N.S.S. Day is celebrated by the N.S.S. Family of Veer Narmad South Gujarat University as "Gujarat State NSS Day Celebration" on 24th September, every year.
- Independence Day and Re-public Day celebration – Every year Independence Day and Re-public Day is celebrated with the hoisting of flag followed by singing of patriotic songs

as a tribute to our freedom fighters.

- "Save Tapi Campaign" by taking an oath to keep our tapi clean and green and tying the band with slogans to promote the same message.
- Run for Unity - N.S.S. Volunteers participated in "Run for Surat" at VIP Road, Surat.

SPECIAL CAMPING PROGRAMMES :

Special Camping Programme of ten days duration has been organized in adopted village and it provides unique opportunities to the students for group living, collective experience sharing, sharing responsibilities, addressing various developmental issues of regional and national importance and fosters constant interaction with the community.

Till date three, 7 Days Special Residential Camps have been organized by N.S.S. unit of our college based on different themes "Clean India Green India" and "Youth for Sustainable Development" in Village Kukni, Taluka Olpad, Surat.

Major activities conducted during the 7 days N.S.S. Special Residential Camp include :

- Free Medical Checkup camp related to eyes, ENT, teeth and general health issues organised in association with Rotary club of Surat. A team of doctors with special expertise in their respective field come from the Rotary Club of Surat. Dr. Sunil Oza – Ophthalmologist, Dr. Meena Shah – Dentist, Dr. Biren Sitwala –

Cardiologist/ Physician provided their services at the camp. Many patients got benefitted with the free-medical checkup.

- Pre Medical Camp Survey conducted by the N.S.S. Volunteers for the Free Medical Checkup Camp
- A sapling plantation activity done in the premises of the Kukni Primary School. Total 50 saplings were planted in the area. The N.S.S. volunteers enjoyed digging the ground and they showed interest in planting the saplings.
- N.S.S. Volunteers imparted Computer education relating to opening of e-mail accounts and drafting of mails to the students of Kukni Primary School, Kukni, Olpad, Surat.
- Poster drawing competition on "Cleanliness and Environment" and Essay writing competition on "Honorable Sardar Patel and his life" was organised for students of Kukni school and N.S.S. volunteers.
- Labour work was carried on by the N.S.S. volunteers- Leveling of Ground and filling it with stones and tiles and thereafter cleaning of the village community hall, cleaning and scrapping of the village community hall for the purpose of painting. Coloring/Painting of the walls of the village community hall.
- Street play was performed by the N.S.S. volunteers on the theme "Save Girl Child". All the performers of the play portrayed the topic very well and gave the message to treat girl child equally, to educate her and also give

her a chance to come in this world. It was an emotionally charged event with meaningful message for the orthodox people of the society.

SPECIAL ACHIEVEMENTS :

- N.S.S. Volunteer Mr. Chinmay Thakker participated in 26th January Republic Day Parade. 2012

Report of Gymkhana & Sports Activities

Sports is the source of recreation; it provides relief and a sense of relaxation in life's monotonous routine marked by miseries, hardships and hurdles, making it an imperative part in today's world. Besides intellectual qualities like courage and team spirit, hard-work is also inculcated in the youth through sports. Our college, in this case, has given more than its fair share of contribution at district, state, national and even at international level sporting events. It's the amalgamation of sports and learning, that is responsible for our distinct educational entity. Throughout the years since inception, SPB College has maintained consistent rapport in sports like Basketball, Badminton, Football, Table Tennis and many more, to the extent which is beyond the college boundaries. Our enthusiasts have often represented Veer Narmad South Gujarat University (VNSGU) at west zone competitions, at state level and national level tournaments. Some of our gems have also represented India! Needless to say, the journey has been exciting so far in these glorious 25 years; it is a pleasure to present these achievements as follows :

- In the academic year 1996-97 in inter collegiate swimming championship, Prateek Bhargava got 4 gold medals and also won 4 gold medals at Gujarat state championship. He also secured 7th place in junior's national games. Basketball men's team, men and women table tennis teams stood runners up in the inter collegiate games, Prashant Patel won silver medal in inter collegiate best physique tournament.
