

**Ms. Apurva Bhagvagar**

General Secretary

2013-2014

"Experience is the best teacher."  
We have learnt this from the time we have learnt walking. Yes, to be in the city's most qualified place and dream college was my luck. This luck carried a silver lining cloud which made me the genuine and sincere 22nd General Secretary of SPB English Medium College of Commerce.

I express my sincere thanks to all faculty members and staff for grooming me into a good human being.

*This is the place ....  
Where my tiny finger was being held.  
By these legends.....  
I got lessons-  
burnt off my wrongs  
And shaped myself well.  
**Proud to be SPBian .....***
