

Ms. Roma Gandhi

General Secretary

2010-2011

***SPB English Medium College:
Silver Jubilee Year...Wow!!! 25 years
of endless strive towards
EXCELLENCE is finally here!***

I am proud to introduce myself as Roma Gandhi , a student of our prestigious college from 2010-2013 batch. I had the privilege of serving as the General Secretary of the College during 2010-11. At the onset I would like to extend my hearty Congratulations and Best Wishes to my Alma Mater on its Silver Jubilee year. I grab this chance to pen my thoughts and experiences of the wonderful years I spent in this vibrant campus.

During my tenure as General Secretary , initially I was a little skeptical if I would be able to do justice to the post and also the responsibilities as GS of the college. But with the encouragement and support of our Principal, teachers and committee members and my fellow

students, I was able to fulfill the expectations and had a successful tenure and am happy that I could contribute my bit. We all worked and contributed as a team keeping the best interest of college forward and that's what I feel was the best learning experience worth a treasure.

We are highly indebted and thankful to Heena Oza Mam, Sabita Mam and Ashok Saha Sir for guiding and encouraging us to participate actively in the College cultural and Sports activities. I feel proud to recall that our College has won the maximum number of prizes in Youth festivals, Inter collegiate Sports Competition during the years when I was a student here.

Our college encourages the student community to be part of extra-curricular activities like N.S.S. and N.C.C. Ashish Pandya Sir, who heads the N.S.S. activities has always been a great source of inspiration and has encouraged the students to be part of the activities in large numbers. . I had a great experience with SPB College - all those awesome three years spent as a student. I learnt lots of things from my Principal, professors and all the supporting staff. SPB College gave us a platform and lots of opportunity for self development and growth as responsible citizens and good human beings. Last but not the least I would like to thank my teachers and once again wish my lovely College all the very best for the future... may you always hold up high above all. SPB we love you .

I would like to thank by saying this.....

*For all those times you stood by me
For all the truth that you made me see*

*For all the joy you brought to my life
For all the wrong that you made right
For every dream you made come true
I'll be forever thankful
You're the one who held me up
Never let me fall
You're the one who saw me through,
through it all
You gave me strength when I was weak
You were my voice when I couldn't speak
You were my eyes when I couldn't see
You saw the best there was in me
Lifted me up when I couldn't reach
You gave me faith 'coz you believed
I'm everything I am its coz of you
You gave me wings and made me fly
You touched my hand I could touch the sky
Whenever I lost my faith, you gave it back to me
You said no star was out of reach
You stood by me and I stood tall
I had your blessing I had it all
I'm grateful for each day you gave me
Maybe I don't know that much
But I know this is true
I am blessed because I was loved by you....*
